## TTV CHAIR REPORT

I am delighted to be writing this report as Chair of Table Tennis Victoria. Having been elected to the Board of Directors at the 2016 AGM I was honoured to be elected by the Board as Chair during 2017. This was following the former Chair, Brett Sonnet's decision to pursue a position on the TTA Board. Brett subsequently resigned from the Board of TTV and did assume a position on the TTA Board. I personally wish to thank Brett for his contribution to TTV during his time on the TTV Board and look forward to seeing the contribution he makes to the sport of Table Tennis on a National level.

2017 was a good year for Table Tennis in Victoria with many players excelling both internationally and locally and many clubs showing increased participation numbers. At the TTV office, the team worked hard to ensure the sport ran as smoothly as possible and at the Board Table, the Board of Directors spent time (on top of normal Board type duties) reviewing Board practices and ensuring that TTV was being run within expected governance guidelines.

The TTV office welcomed Marie Karekla during the year as our new State Development Officer. Since joining, Marie has not stopped running and has already achieved some wonderful outcomes in a very short time. Over the coming year many of our affiliate clubs will get the opportunity of meeting Marie in person as she travels around meeting as many clubs as possible.

An on-going 3-year grant from the Victorian State Government has enabled us to continue to develop programs with the view of increasing participation. Many affiliate clubs have availed themselves of programs funded by the grant, which has been pleasing. As Marie works her way round the State she will be talking to affiliates about further opportunities they can access.

Financially we still maintain healthy cash reserves and we have worked hard to keep our costs in check. Of course, an increase to membership numbers will enable TTV to further enhance programs being offered. This is a continual battle, I think, for every sport.

During the year there were 40 players who went through the TOPS coaching course, while there was a temporary hold placed by TTA for Level 1 & 2 courses to be conducted due to a review of the coaching framework. The increase to coaching numbers is not only pleasing, it is also a great indication of the passion that players have to help build the sport at a local level. I personally congratulate each and every one of our new coaches and hope they continue to develop their coaching skills while developing the playing skills of those they coach.

It would be remiss of me not to mention and publicly thank the hardworking members of the Board; Jack Cyngler, Greg Bristowe, Claire Montgomery, Rob Katsipis, Eddie Kocjancic, Chrissy Jones and Jean Pearce. Being a Board member is often a thankless task, as are many volunteer roles but I can assure you the whole Board works very, very hard to ensure that the game of Table Tennis is enjoyed by as many people as possible.

As we head into 2018 and look forward to the Commonwealth Games in The Gold Coast in April, The ITTF Australian Open in Geelong in July, The ITTF World Juniors in Bendigo in December, The Australian Veterans Championships in Bendigo in October and the Australian Seniors Championships in Mornington in July, we are in for one fantastic year. Fasten your seatbelts everyone and join TTV as we use these wonderful backdrops to showcase the sport we all love.

**SUE WEST**

## TTV CHIEF EXECUTIVE OFFICER REPORT

The year of 2017 produced another successful year for TTV from the increase in affiliate numbers, an increase in government funded table tennis programs and healthy membership figures. There were other community and fundraising activities that we participated in such as the Kids Day Out held on Good Friday for The Good Friday Appeal which aimed at raising funds for the Royal Children's Hospital and providing table tennis for deaf children at the Combined Schools Sports Carnival in August at MSAC.

Since the funding by Sport and Recreation Victoria to TTV was provided from 2016, we have created and sustained programs such as the AAA rehab sessions with Alfred/Caulfield Hospital including their Headspace units, the 'Females Only Ping Pong' Program run by Croydon TTA, Sunbury TTA, Phoenix Park and Monbulk TTA. We also helped Wonthaggi with equipment to cater for their successful AAA program, and a 'Women in Table Tennis' program has been run successfully here at MSAC on Wednesday mornings which resulted in extra membership numbers for the Melbourne Veterans TTA.

We continually participate in events that can potentially increase our participation numbers such as School Expo days and carnivals. We will be concentrating heavily on a Participation Strategy Plan involving schools from 2016-2018. The National AWD (Athletes with Disability) Championships were hosted by Mornington TTA in February which was run successfully. Swish Victoria (Vision Impaired Table Tennis) also participated in these championships for the first time.

I also visited five regional clubs which were Warracknabeal, Hamilton, Horsham, Daylesford and Ballarat in March. In October, I also visited Lakes Entrance, Bairnsdale, Leongatha, Traralgon and Wonthaggi. These regional visits were a great experience for me as I get to see how much our country clubs strive to run their small clubs with limited resources and somehow still produce large numbers in participation and competition. I plan to visit other regional clubs in April/May 2018.

The Victorian Country and Metro Championships were held in June. The Country Championships consisted of 100 teams and 330 players which were held over 3 days. The Metro Championships attracted 111 players from 9 affiliates participating. Outside our sanctioned tournaments, these two competitions have been a major drawcard in our tournament calendar especially the Country Championships which is held annually. The Metro Championships has made a promising comeback into our calendar in recent times.

The coaching courses continually attract large numbers with about 40-50 more coaches being accredited in 2017. With the help of SRV funding, TTV will still be subsidizing these courses in 2018 to keep producing more coaches in our state.

TTV will be focussing highly on a 'Participation Strategy' in 2018 where we will aim to target and sell our membership by providing pathways into our affiliated clubs to existing schools that are already playing table tennis within their own inter-school competitions. We will also aim at introducing table-tennis into schools that are already competing with each other in other sports.

Looking towards 2018, we await huge events such as the Commonwealth Games (April), ITTF Australian Open in Geelong (July), Australian Senior Championships in Mornington (July) Australian Veterans Championships in Bendigo (October) and the ITTF World Junior Championships in Bendigo (December).

Once again it was an honour to have worked with the Country Championships Committee, it's support crew and especially the team from Bendigo and District Table Tennis Association to put together such a wonderful sporting event. Our sport is very privileged to have such a hardworking dedicated group of volunteers led by Gary Warnest.

- We welcomed Sunbury East to the event for the first time.
- For the first time in the championships history, the A Grade Shield was won by Warrnambool.
- Ben Taylor, from Warrnambool took home his first Men's Singles title. Kate Carmichael from Sunraysia retained her Women's Singles crown.

## VICTORIAN METROPOLITAN CHAMPIONSHIPS

10-11 June 2017

With a revamped format for this year's Championships, player and affiliates numbers swelled with great support from TTV. There were 111 players and 9 Affiliates who entered. Almost 700 matches were played once the event concluded. On Saturday, the teams' events were held and there were 46 teams entered over 8 grades. Affiliates were represented from Croydon & Districts, Coburg, Greater Dandenong, Diamond Valley, Manningham, Miao Miao TT Academy, St. Kilda Cricket, ES&CTTA and Melbourne Veterans.

Players of all standards competed, ranging from the low-level club players to National representatives and even a World Champion. Whilst everyone fought hard in all their matches, everybody had a great time together and enjoyed the camaraderie. Half the players came back the following day to compete in the Individual championships, and it was ironic that the Open Men's & Women's champions were former country players. These were Dillon Chambers (a two-time Country Singles Champion) and Mackenzie Gardner who currently plays for Croydon & Districts.

We all look forward to Metro 2018 with many players indicating that there will be a higher participation from their clubs.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 (Vic). The Board has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. **Income Tax**

The association is a not for profit entity and is exempt from income tax.

b. **Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

c. **Impairment of Assets**

At the end of each reporting period, the Board reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

d. **Employee Provisions**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

e. **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

f. **Cash on Hand**

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

g. **Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

h. **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

i. **Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

j. **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

k. **Financial Assets**

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

l. **Accounts Payable and Other Payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.
