2. GENERAL BUSINESS

2.1 MOTION TO ACCEPT MINUTES OF THE 2021 ANNUAL GENERAL MEETING

RESOLUTION: *That the Minutes of the TTV Annual General Meeting held on 9 April 2022 provide a true and accurate reflection of the meeting.*

Peter Myszka (Mornington Peninsula & Frankston City Table Tennis Association) moved that the minutes of the 2021 Annual General Meeting be accepted as submitted. Gary Warnest (Bendigo & District Table Tennis Association) seconded the motion. There being no objections to the resolution, it was unanimously passed.

2.2 TTV ADDRESS

The Deputy Chair noted the following:

- Thank you to all TTV clubs and associations for weathering the COVID-19 storm and providing players with opportunities to play, improve and reconnect with table tennis in 2022.
- Appreciation of the TTV Board of Management over last twelve months for their input and continuing effort throughout the year of 2022 and ongoing into the future.
- Congratulations to Gen Dohrmann on her first year of being TTV's CEO and her commitment to table tennis and personal growth in the role.
- Thanks and appreciation to TTV outgoing staff members Sean Sturrock, Jason Bast, Yugandh Zende and particularly Claire Montgomery.
- Welcome to new staff members Oscar Yam, James Maxwell and David Powell who have all hit the ground running in 2023.
- Acknowledgement of the impressive results of Victorians in the Australian Championships and international events, especially the highlights of medals at the Commonwealth Games, World Para Championships and World Youth Championships.

- Fantastic to have a full year of the TTV's State Tournament Circuit and see Victorian players success at the National Championships.

2.3 PRESENTATION OF 2022 TTV ANNUAL REPORT, INCLUDING 2022 TTV AUDITED FINANCIAL STATEMENTS & AUDITOR'S REPORT

The Deputy Chair noted that copies of all documents had been distributed in advance and provided an overview of the various reports.

Financial performance summary:

- There was a deficit of \$71,578 for the FY which was in line with the approved operating budget.
- In 2022, the key focus was delivering the sport of table tennis after two COVID affected years and providing competitions and events as they had been provided in the past at comparable prices – CPI increases and inflation on costs were largely absorbed by TTV.
- Spending in the delivery areas of participation programs and club governance workshops took place to ensure we could acquit significant portions of the Victorian Government's 'Together More Active' program funding which was largely untouched in 2020 & 2021.
- Membership numbers increased from 3,464 in 2021 to 3,920 in 2022. However, numbers were down from budgeted targets based on 2019 figures as a result of losing players due to COVID, resulting in reduced membership revenue. Event entry numbers and budgets were similarly affected.
- As noted in a financial bulletin sent to all members in February 2023, to bring the organisation back to an operating surplus in 2023 several measures have been implemented to assist with reducing costs. Many of these changes are only in place for 2023 and will be reviewed when budgeting for 2024.

RESOLUTION: *That the 2022 TTV Annual Report, including the 2022 TTV Audited Financial Statements and the 2022 Auditor's Report be accepted.*

Chris Mainland (South Eastern Table Tennis Association) moved that the resolution be accepted and was seconded by Daisy O'Bryan (Melbourne Veterans Table Tennis Association). There being no objections to the resolution, it was unanimously passed.

2.4 Special Resolutions

Special Resolution 1 – a motion to update the TTV Constitution to reflect that affiliates of Table Tennis Victoria may be either Incorporated Associations or other legal entities as agreed by the Board.

The Deputy Chair noted this is a proposed constitutional change to grow the sport of table tennis to be more inclusive by enabling more business types to affiliate with TTV.

Gary Warnest (Bendigo & District Table Tennis Association) sought clarification that the new entities will be bound by the same operating principles and checks as incorporated entities. Deborah Bruce (TTV Board) responded that initial work has commenced on the extra checks TTV will be putting in place to ensure all entities who affiliate with TTV are fit to operate. It was agreed the motion would be accepted provided that the affiliation by-law is updated with checks for all affiliates to abide by and provided to affiliates for feedback before being approved by the Board.

Gary also noted that if new affiliates operate for profit that they don't disadvantage TTV from grant access.

Motion that:

"The Table Tennis Victoria constitution be updated to reflect that affiliates may be either Incorporated Associations or other legal entities as agreed by the Board."

All pre-cast votes supported the motion and there were no objections from the room.

Special Resolution 1 was therefore **approved** unanimously.

Special Resolution 2 – a motion to update the TTV Constitution so that that the positions of Chair and Deputy Chair are elected by the Board instead of by the affiliates in line with the Sport Australia Sports Governance Principles.

The Deputy Chair noted that Principle 4 of the Sport Australia Sports Governance covers the benefits of having a diverse Board to enable considered decision making. A recommendation as part of this principle is that the board should elect its chair from among

the directors. This will ensure smooth succession planning and allow the Board to adequately plan for the future. This recommendation will also mean TTV is in line with Table Tennis Australia who has the President and Deputy President elected by the Board as per clause 15.7 of the TTA Constitution.

With permission to speak granted, Rachel Peat (Melbourne Veterans Table Tennis Association) questioned if there were issues with the current process of affiliates electing positions. The Deputy Chair responded that it was to ensure smooth succession planning in the instance of Board changes. Neville Young (Eastern Suburbs & Churches Table Tennis Association) noted the process of the Board electing their own leaders is in line with local Council. Gary Warnest (Bendigo & District Table Tennis Association) noted that while not against the motion, there has been some Board turbulence in the past couple of year and there is some affiliate concern around Board positions and connection to the community.

Motion that:

“Table Tennis Victoria constitution be updated so that the positions of Chair and Deputy Chair are elected by the Board instead of by the affiliates in line with the Sport Australia Sports Governance Principles.”

All pre-cast votes supported the motion and there were no objections from the room. Special Resolution 2 was therefore **approved** unanimously.

2.5 ELECTION OF BOARD MEMBERS

The Deputy Chair noted two spots were due for election, relating to the Deputy Chair position plus one Elected Director position. TTV CEO took over proceedings for the election.

- Re: **Deputy Chair** position, only one nomination was received, that being from Ms. Meredith Kelly.
- Regarding the **Elected Director** position, only one nomination was received, that being from Ms. Melissa Lok.

By virtue of pre-cast voting, all nominees had secured the necessary votes and there were no objections from the room.

For the sake of completeness Ms. Meredith Kelly's nomination was endorsed by Daisy O'Bryan (Melbourne Veterans Table Tennis Association) and Ms. Melissa Lok's nomination was endorsed by Neville Young (Eastern Suburbs & Churches Table Tennis Association).

Therefore:

Ms. Meredith Kelly was therefore duly elected for a further 3 -year term as Deputy Chair until the AGM in 2026.

Ms. Melissa Lok was therefore duly elected for a 3 -year term as an Elected Director until the AGM in 2026.

2.6 APPOINTMENT OF AUDITOR

The Deputy Chair noted that Mr. Geoff Morris and Mr. Graham Morris of Billings & Ellis Pty Ltd had provided a professional service in the preparation of the required audited accounts in the past, and therefore recommended the following:

RESOLUTION: *That Billings & Ellis Pty Ltd be approved as the TTV auditor for the calendar year ending 31 December 2023.*

This resolution was moved by Phillip Savige (Werribee Table Tennis Association) and seconded by Gary Warnest (Bendigo & District Table Tennis Association).

A show of hands in support of the motion was sought, with all Members in favour.

The resolution was therefore **approved** unanimously.

3. MEETING CLOSE

3.1 The AGM aspect of the meeting was formally closed at 2.40pm.

4. Q & A

The Chair invited questions to be asked on any subject to TTV, whether in front of the

audience or personally during light refreshments.

- **Chris Mainland** (South Eastern Table Tennis Association) asked on behalf of **Kameron Chan** (Albert Park Table Tennis)

Question – “The current TTV board possesses experiences that other boards would love to have. However, some continue to remain at arms length with the wider Table Tennis community. Given the current TTV office runs as a lean team, will the incoming board consider greater community engagement beyond formal meetings like these (such as visiting tournaments) and lend their expertise to the office outside of the their regular meetings on matters, such as financial, marketing and sponsorships?”

A – The Deputy Chair acknowledged that the TTV Board would like to make a greater effort to get out and about in the community more and that she will try to keep the Board accountable. The CEO acknowledged we would like more community voices on the Board so encouraged applications for future Board positions. Peter Myszka (Mornington Peninsula and Frankston City Table Tennis Association) noted that governance and policy support from TTV has increased recently as a result of the current Board and staff. Andrew Weiss (TTV Board) reaffirmed a commitment to the Board trying to attend more community events and also spoke of how the TTV Board use their skills to support TTV through Gen as the CEO so that she can support affiliates.

- **Peter Myszka** (Mornington Peninsula and Frankston City Table Tennis Association) & **Brian Blythman** (Bairnsdale Table Tennis Association)

Question – Quite a few affiliates are located quite far from Melbourne and MSAC, how can State Pathways programs and coaching courses be delivered in regional areas?

A – Claire Montgomery (Albert Park Table Tennis) noted that there has been an effort to make more online training available. Phillip Savage (Werribee Table Tennis Association) referenced the EPIC.TT workshops that were delivered in clubs by Claire as well as the online club development sessions that Table Tennis Victoria has offered. In regards to decentralising coaching courses the CEO spoke about the plan to trial how they can be offered in regional areas in conjunction with state tournaments and other major events.

- **Gary Warnest** (Bendigo & District Table Tennis Association)

Question – In reference to the TTV financials and the bulletin that was provided to members in February 2023, could we see continuous monitoring of the financial position instead of waiting until the end of the year for the next update?

A – The Deputy Chair referenced that the TTV Board monitor the financials closely at each Board Meeting and striving towards financially better outcomes. She highlighted that TTV is looking at revenue diversification options as well as better alignment options with Table Tennis Australia so that we can continue to grow the sport. The CEO added that discussions are already taking place around some partnership opportunities which will be communicated to the community if locked in.

- **Gary Warnest** (Bendigo & District Table Tennis Association).

Statement – Congratulations to Table Tennis Victoria that after a couple of years of tension between TTV and affiliates that we are now at a place where we are working together for the greater good of table tennis.

4.1 The meeting including the Q&A was formally closed at 2.55pm.

OCCUPATION	Strategic Planner	

Table Tennis Background

Administrative Experience

I joined the TTV Board in 2020 serving one year as deputy chair and 3 years as chair. During this time, I led the Board to appoint Gen Dohrman as CEO. I've also served on the State disciplinary panel, country championship's committee and nominations committee among others.

Previously to joining the TTV Board, I held several positions on the Bendigo and District Table Tennis Association (BDTTA) Committee from Publicity Officer to General Committee Member and Vice President up until 2019. I had previously been on the Country Championship Committee.

Playing/Coaching/Officiating Experience

I have been a table tennis player at Bendigo over the last ten years advancing through to its A Grade Pennant level.

I have been a State accredited umpire and have officiated at local and state tournaments, through to international events such as Oceania.

Further Information to Support your nomination:

I see a strong need for the TTV Office to continue to build the profile and participation pathways with pop up events such as grazeland and organised competitions such as the corporate cup.

My main aim is to continue to foster and improve collaboration with fellow States and Table Tennis Australia (TTA). Table Tennis is an inclusive sport, with limited resources. TTV needs to be progressive and work with TTA and the other states to use our joint resources to drive changes and improvements that can be implemented by clubs such as child safety standards among others.
