CLUB INSURANCE PACKAGE

The National Insurance Program covers the following types of insurance for its members.

- (A) Personal Accident Insurance (for individuals)
- (B) Public Liability Insurance
- (C) Products Liability
- (D) Management Liability
- (E) Professional Indemnity

Insurance coverage is provided as a member benefit, with the cost of insurance incorporated as part of all membership fees. Being part of the National Insurance Program enables TTA to provide appropriate insurance coverage in the most cost-effective way to players, clubs/associations, coaches, referees, umpires, officials and volunteers.

Key Coverage

Public and Products liability	✓	\$20,000,000
Professional Indemnity	✓	\$5,000,000
Personal Accident Insurance	✓	

Board members/ Committee members

Board Members/Committee Members of clubs/associations who are affiliated with their State/Territory Association and who register their players with their State/Territory Association.

Clubs/ Associations

Clubs/Associations who are affiliated with their State/Territory Association and who register their players with their State/Territory Association.

Individual members

Members who are registered with their State/Territory Association, while playing at clubs/associations affiliated with their State/Territory Association or while playing at events sanctioned by their State/Territory Association and/or TTA.

Volunteers

Volunteers while providing volunteer services at a club/association who are affiliated with their State/Territory Association and register their players with their State/Territory Association.

NATIONAL PROGRAMS

Table Tennis Australia is an approved partner of Sport Australia's Sporting Schools Program.

Spinnerroos - Bounce into Table Tennis

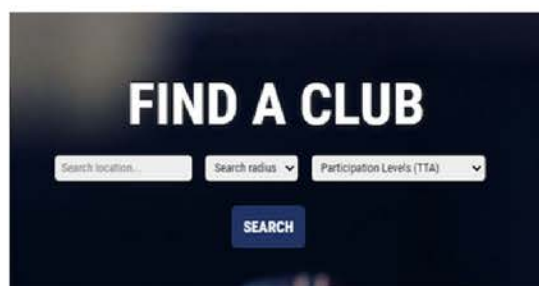

Spinnerroos is a specially designed entry-level program for beginners under the age of 12. The program focuses on fun and provides a fantastic first table tennis experience for children.

The program is offered at schools and clubs nationwide. Affiliates can sign up and deliver the program at club/association, and/or register to be Sporting Schools Coaching Provider. This is a great opportunity for affiliates to promote their club/associations in the local schools and to generate additional revenue.

TTA Equipment and Facilities Grant

The TTA Equipment and Facilities grant program is an annual grant opportunity offered to all affiliates. Clubs and associations can receive up to \$4,000 for facility funding and \$2,000 for equipment support.

Nearly \$230,000 of equipment and facilities have been created and forty-one affiliates have received funding support since the inception of the Equipment and Facilities Grant in 2021.

Club Finder

The affiliate's details will be published on the TTA National Club Finder which can be found on their respective State & Territory Association websites and the Table Tennis Australia website.

Other benefits

Affiliates will have free access to Ratings Central where clubs and associations can set up player ratings and rankings on a user-friendly online platform. Members of affiliates will also be offered opportunities to be involved in State/Territory and National tournaments. Affiliates can also register their members easily through the National database program provided by TTA service provider Revolutionise Sport.
