## MESSAGE FROM THE PRESIDENT (Phillip Carruthers)

Two thousand and four has allowed TTV to turn around its financial fortunes, a task which has consumed much of the Board's energy throughout that year. Special thanks need to go to Dale Gilson who as CEO has most of the credit for the turn around, along with Alan Hopkins as Treasurer who has overcome huge health obstacles to give his time and energy to TTV. The real results of their efforts won't be reflected until the 2005 financials are produced - the 2004 figures show the difficulties which were forecast in last year's Annual Report were realised, although mitigated a little by the early efforts of the new CEO. The budget for 2005 reflects a much healthier position.

On the court Victoria continues to dominate at all age groupings. The results of all the national championships are detailed later in the report. At an elite level Victoria dominated the recent allocation of Commonwealth scholarships to males, but failed to have that success with females. Fanny Ho has begun to put some strategies in place to promote our game to females and we are confident that we can build our sport through this approach.

As always, I would like to thank our volunteers for their tireless efforts. They hold our sport together, organise all the pennants over the state, run all the tournaments, do all the fundraising, all the maintenance at the various centres and provide constant encouragement to all involved in the sport. If anyone is interested in joining their ranks they should contact their local club, or to help at a state level, contact Dale Gilson or myself.

## CHIEF EXECUTIVE OFFICERS REPORT (Dale Gilson)

In May 2004 I returned to role of Chief Executive Officer after spending time since 2002 with Netball Victoria. I would like to thank everyone for their overwhelming support for my return to this role.

This support from Associations and individuals has been essential in addressing the hard decisions that the Board and I faced in a number of areas. In particular the ongoing financial status of TTV has been a concern which directly affects the level of support that we can provide to our Clubs and Associations. In the final 6 months of 2004, the finances turned around significantly. While the result was still a loss; I have great confidence that with the changes that have been made, 2005 will see TTV return to a sound financial status on an ongoing basis.

Alois Rosario left the position of Sports Development Officer with TTV after 18 years. We would like to take the opportunity to thank Alois for his work over this period. Alois continues to assist TTV when the need arises and continues to be very much part of the table tennis community with the coaching he offers.

TTV has chosen not replace Alois in the short term and instead look at new possibilities as to how we go about the business of table tennis in 2005 and beyond.

A number of new projects have been initiated thanks to support from VicHealth and the Department of Victorian Communities. In 2005 we aim to provide a new Affiliates Folder, new Website and a new member registration system that is incorporated into the new website. We also aim to offer better insurance cover for our volunteers and committee members of our Associations.

I would like to thank those who also worked with and supported me in the office, namely Laura Fleming and Alois, as well as all the many volunteers who frequent the office. I would also like to thank the Board for their faith in myself and for their hard work and dedication to the sport of table tennis in 2004.

With the Melbourne 2006 Commonwealth Games not far away it is an exciting time to be part of this great sporting community.

## **DEVELOPMENT OFFICER'S REPORT (Alois Rosario)**

Part funded by Sport & Recreation Victoria

The position of Development Officer once again took on many challenges in 2004

- Coordinator of the VIS Table Tennis program coaching
- Conducted Teacher education for both Secondary and Primary Teachers and pre-service teachers
- Conducting school clinics and exhibitions on demand from schools and sports districts
- Resource development for Teachers
- Program coordination of Seniors Social Group
- Coordinator of Victorian Seniors Festival activities
- Coordinator of Victorian Schools Championships involving over 70 schools and 1800 students
- Coordinator of Victorian Singles for Players with an Intellectual Disability
- Development and maintenance of the database of schools and coaches
- Coordination and presentation of Level 1 Coaching Courses
- Conducting Development visits to affiliates
- Liaising with various disability groups (including VICSRAPID and Wheelchair Sports Victoria)
- Liaising with School Sport Victoria regarding Table Tennis Program
- Liaising with Australian Council for Health, Physical Education and Recreation (ACHPER)
- Conducting Training Camps for players
- Co-ordinated VicHealth Funding Agreement Component
- Co-ordinated Sport and Recreation Funding Agreement Component

There was a continued interest shown by representative school teams especially from private schools to employ coaches to assist with the development of their school teams.

Thank you to all the coordinators in the association who spent many hours of coordination for the visits and the School Singles championships. Thanks also to Sport & Recreation Victoria for their funding and support of the Sport Development Officer position. Thanks to the School Sport Unit, ACHPER and Vicsport for their support and to the many teachers who put in their own time to assist the growth of table tennis in schools.

## **MEMBERS PORTFOLIO REPORT (Ron Keyhoe)**

I was extremely pleased with the attitude of the country & metropolitan Associations and it gave me great pleasure to work them. The collection of registration fees is not an easy task but remains important, especially in order to guarantee players are covered for insurance in case of a mishap.

Registered players increased by 5% in 2004 which was very pleasing.

In 2005 TTV will introduce a web based registration system which will assist Associations to collect and record their player numbers in a simpler and timelier manner.

Thank you to all the members who I worked with during my time in the Members portfolio.

## **JUNIOR PORTFOLIO REPORT (by Phil Davis (Operations) for Vicki Buff (Juniors))**

The structure of our State's junior program can be viewed as a pyramid. With the base of the pyramid the many juniors at club level that are managed and nurtured through the early stages of their life in table tennis. The upper part of the pyramid has around 30 juniors that represent Victoria at the annual national championships. At the top of the pyramid are the few that get to represent their country. This structure has served us well over the years and with the ongoing support from many volunteers around Victoria has again been successful.

There were 16 junior tournaments held around Victoria in 2004. Participant numbers were comparative to 2003. Overall the tournaments were conducted in a professional manner. Well done to all involved.

The Australian Junior Championships was held in Perth. Again we fielded teams in all age divisions. Victoria won gold in the teams events in U18, U16 and U14 Boys and U16 Girls and silver in U18 and U14 girls. Our players also did very well in the individual events. Overall we had four outstanding players. Kyle Davis won gold in all seven events he could enter, while Robert Frank picked up five gold, two silver and one bronze. Melissa Tapper won three gold, two silver and two bronze. Michelle Carpenter won three gold, one silver and one bronze.

Four of our top players got their first chance to represent their country in 2004. Robert Frank, Melissa Tapper, Michelle Carpenter and Adriana Coombes all wore the green and gold for the first time. Derrika Nheng continued her national team duties, as did Kyle Davis, who also got his first Australian Men's Team shirt at the Oceania Championships in New Zealand. Highlights were Kyle Davis' 12th placing and Melissa Tapper's 22nd placing in the Cadet Singles at the World Cadet (U15) Challenge in Portugal.

Overall the junior program has a strong base and enormous opportunities at the top end. Congratulations to all involved and good luck for 2005.

## **SENIOR PORTFOLIO REPORT (Claire Montgomery)**

Two thousand and four was a successful year at both the Local level and National level. At the Local level numbers were up for the tournaments held at MSAC, averaging 75 entries. But sadly the numbers attending the country tournaments this year were severely down which is something I wish to work on with the Country Associations in 2005.

At the National level, Victoria was once again very successful at both the Australian Youth and the Australian Senior Championships, sending 2 Women's Teams, 2 Men's Teams to both competitions and many Victorian's were selected in the President's Teams. Victorian's once again dominated the competitions by taking out the majority of the medals in both the teams and individual events. Congratulations and praises go to all the participants in all Victorian team, including the people selected for the Presidents Teams.

I would like to extend a very special thankyou to all the people that have volunteered their valuable time and effort in helping out in 2004. Namely Mr Angelo Tabone for the countless hours of tournament draw preparation and running the computer on tournament days. Also to Mrs Helen Pottage and Mr Bob Grattidge for their assistance to the smooth running of tournaments on the day.

I look forward to 2005 and I hope it is as successful as 2004 if not better.

## VETERANS PORTFOLIO REPORT (Fanny Ho)

Veteran players have been very busy in 2004. Not only have they participated regularly in State and level tournaments and championships, they have also traveled to conquer other parts of the world.

The usual appearance in the New Zealand Veterans Open Championships over Easter have resulted in metal in the State.

The efforts of Horst Frohlich at the World Veterans Championships in Japan in May made him the owner of a Bronze medal – in the Over 60 Mens Doubles event with Ken Cole (NSW).

The year concluded with the National Veterans Championships in Canberra in October. As always, Victorian players were very competitive and came first in 2 team events, second in 3 team events and third in 4 team events. Also, Brian Berry, Pam Tait and Prisca Rosario have been awarded the Stiga Award for Best Player in the Over 50 Mens, Over 60 Womens and Over 70 Womens respectively.

The Friday night Veterans Pennant is gaining momentum. We have new players who joined the week competition at different levels and every season has over 70 regulars plus a number of fill-in players.

All these achievements have only been possible with the enthusiasm and dedication of the Veterans Committee, and the many volunteers who helped on Pennant nights and during tournaments. Thank you, we are done, and please continue the good efforts.

## COACHING PORTFOLIO REPORT (Jim Montgomery)

I am most pleased to be able to report that Victoria has once again improved its position in the overall medal count. Quite apart from the excellent results of our A teams and top players in singles, our next group of players has made great advances. As I have said before, much of this is due to the intensive coaching programs in place within various progressive Associations and TTV itself.

Internationally we have few competitive players so we should not and are not resting on these recent national performances. We have to work towards a much larger pool of highly competitive players to sustain and then improve our long term position. While this may seem obvious, it will require a great effort from the clubs and associations themselves to improve coaching availability. On a longer term basis, everyone should accept that without this effort in development, our sport will wither.

In order to achieve this at TTV level with the support of V.U.T and V.I.S we're carrying out a study of the frame of mind or mood of our state level players in order to evaluate its effect on their individual results. We hope at the very least this will educate the players and coaches and hopefully improve their performances.

A second project to evaluate Human Movement by Biomechanical analysis of Table Tennis has been formulated. This again will be assisted by the V.I.S with major input from V.U.T who are presently developing real time evaluations of Human Movement in other activities.

Our aim is to make better use of both overseas and local knowledge to improve the performance of our players in the long term.

I look forward to working with you in the future.

## MSAC TABLE TENNIS STADIUM

Table Tennis Victoria is fortunate to have the strong support of MSAC. The cordial relationship with Simon Weatherill, Warren Green, Erica Thomas, Danielle Carey, Amanda Dempster, Matt Walton and all of the staff is much appreciated.

The regular pennant competitions have continued in 2004. We are deeply appreciative of the many hours of dedication by volunteers that these competitions require. Without Bob Grattidge's leadership the Tuesday and Wednesday Pennant competitions would have been difficult to run. He is continuing to look for ways to breathe new life into this competition to ensure that it will continue to be the premium table tennis competition in Australia.

Table Tennis Victoria and its affiliates have continued to conduct the following regular competitions at MSAC during 2004:

|           |                                                       |

## FINANCIAL REPORT

**1 JANUARY 2004 - 31 DECEMBER 2004**

The financial report is audited.

### **NOTES TO FINANCIAL STATEMENTS**

Table Tennis Victoria recorded an improvement of \$7449.99 in comparison to 2003; however the financial result still records a loss of \$18,159.85 for 2004. This figure includes a bad debt of \$19,193.91 which was accounted for in the 2004 figures for a sponsorship that was not received from the previous year 2003.

Many of the changes that have been implemented by the Treasurer Alan Hopkins and the return of Dale Gilson to the CEO role from May 2004, will come to fruition in the financial year 2005 when a turnaround in TTV's recent financial fortunes are expected for the long term.

### **SPECIFIC ITEMS**

Participation Receipts increased due to the inclusion of Veterans income for Australian Championships for the first time. This corresponds with Tournament Expenses Other.

Sponsorship was spread across a number of categories in this report. The \$20k sponsorship from 2003 was not received hence there was not the decrease in sponsorship from the previous year that the 2004 report indicates.

Decrease in Salaries CEO corresponds with an increase in Consultancy Fees.

Bad Debts Expense of \$19,193.91 is for sponsorship not received in 2003.

Uniform Expenses decreased due to a bulk purchase made in 2003.
