To all Affiliates and Members,

I wish to thank all our Board members over the last 12 months, past and present. I very much welcome our new Board members in 2020 comprising Daniel Moloney, Andrew Weiss, Meredith Kelly and Deborah Niccoll. They join Paul Healey, Greg Bristowe, Leanne Conrad, Kimberley Brown and myself.

We should be proud of achieving the minimum 40% gender equity targets - a feat which many SSO's have failed to match. I am very excited to be working with such a talented group who understand our challenges going forward, and have a real appreciation what is required to meet our strategic objectives.

Also, a special shout out to our ever-active CEO, Ritchie Hinton, and his team who continue to pursue these objectives with passion and zeal at operational level. Victoria has had, as you would all appreciate, a most difficult year in 2020 due to the pandemic. Membership numbers were understandably down due to 'no play' requirements for much of 2020, especially in metro Melbourne.

We have endeavoured to show value to our Members in difficult circumstances in a variety of ways. For example, we refunded membership fees paid in 2020 by 50%. We also established a solid online presence to keep members engaged with the sport in novel and contemporary ways. Whilst participation numbers were affected, TTV used the time effectively to plan for 2021 and beyond.

There will be a greater emphasis on profiling the sport (e.g. a monthly newsletter, highlighting club activity, and producing unique TTV content).

All major event planning for 2021 has been confirmed, including the State Tournament calendar, High Performance sessions and the Primary & Secondary School Cups (in conjunction with School Sport Victoria). Coaching and Umpires Courses have also been scheduled to take place throughout 2021. We are excited to see how Spinneroos and the Corporate Cup are adopted in Victoria.

A focus moving forward will also include developing our commercial partnerships, as a reliance on government funding is always undesirable, made even more so in these uncertain economic times.

Data analytics will therefore be a key to Table Tennis moving forward as a sport in Victoria and Australia-wide. Developing non-traditional participation markets is critical, and a focus of TTV. To this end, we are interested to see how the World Table Tennis (WTT) concept assists with increasing the profile of the sport, as the newly created commercial and events arm of the ITTF.

Continued dialogue with TTA, and where possible, having a uniform 'One Sport' approach, is supported by TTV. We would like to see increased staff numbers in the various States and Territories to boost their activity levels, as we believe we are stronger together as sport.

Wishing you all a positive, productive, and healthy year ahead.

JACK CYNGLER

2020 was without doubt my hardest in over 15 years working as a professional sports administrator.

- How do you plan for a year such as the one that transpired?
- How do you deal with the constant change and uncertainty which so profoundly affects your members, and threatens the very existence of some organizations?
- How do you plan for the year ahead with so much potential for on-going disruption?

These questions only begin to scratch the surface of the operational challenges which were faced in 2020, and do not remotely attempt to grapple with the human cost of the COVID-19 pandemic.

Sadly, some people experienced much more significant losses than a reduction in sporting activity or a loss of financial revenue, and to those people we offer our sincere condolences.

The mental health toll on the community is difficult to comprehend and will continue for a while yet – it is more important than ever that we are kind to one another and are mindful of the stresses that many are still feeling or recovering from.

In light of the profoundly bruising nature of the pandemic, it is easy to forget that the start of 2020 was beset by terrible bushfires in Victoria. There was also a Special General Meeting which caused disruption to the prospects of a harmonious beginning to the year. A tough year indeed.

With all that said, it should be noted that Table Tennis Victoria managed to not only maintain its dedicated workforce, but also to deliver several initiatives online to assist our Affiliates throughout the lockdown period.

Our Club Enhancement Initiative (EPIC TT) was delivered online to several Affiliates to help improve their governance, administration, and program operations. Many members enjoyed our regular trivia and 'Spot the Ball' posts on social media, along with other fun initiatives aimed at keeping the membership base engaged and connected.

It would be remiss of me not to thank the Federal Government for their support via the Job Keeper scheme. Similarly, I would like to sincerely thank the State Government for their sector specific financial support of the industry through their COVID Survival Package scheme, as well as the Business Support Fund. Although we were not able to execute some of the activities planned under the 'Together More Active' program funded by Sport & Recreation Victoria, the enforced downtime has allowed us to further refine these plans as we look to implement them in 2021.

The accounting guidance received from Sports Accounting Australia and Paul Healey as a Director was incredibly important. I would also like to acknowledge the on-going support of our key partners, S-Trend and AGMC Sports, as our apparel and equipment partners respectively.

Thanks to the TTV board as a whole for their support – TTV has been fortunate to welcome some remarkable talent to the board in recent times, and the calmness and counsel of the group as a collective was a much-needed anchoring presence throughout the year.

A special mention to the TTV staff. Claire Montgomery (Events & Clubs Officer), Sean Sturrock (Participation & Programs Officer) and Jason Bast (Media & Marketing Officer) are to be commended for their efforts in very unusual and testing circumstances. They look forward to serving you in person in 2021.

As ever, in 2021 we will press ahead as we seek to “connect more people in Victoria with more forms of table tennis, more often” - I look forward to sharing the journey with you.

RITCHIE HINTON

This is due to unspent government funding received which is to be allocated to future spend (i.e. project funding from the 'Together More Active' grant from Sport & Rec Victoria). The surplus was also partially created via various other general and sector-specific State and Federal Emergency funds.

Heather Letwin (Melbourne Lakeside) seconded the motion.

The minutes of the 2018 Annual General Meeting were duly accepted.

4. PRESENTATION OF THE 2019 ANNUAL REPORT

The Chair noted the following:

- Thanks to the TTV Board of Management who provided both expertise and an appreciation of what is required to grow the sport of Table Tennis in Victoria. Special thanks to Paul Healey who has provided the Chair with good counsel throughout the year.
- Thanks also to Ritchie Hinton, our CEO, and the TTV staff for their work throughout the year, with particular emphasis on the strong work undertaken on the development and implementation of TTV's four-year strategic plan.
- Reminder of the programs which TTV have initiated in line with the three pillars set out in the Strategic Plan: Participation, Performance and Profile. Examples include an emphasis on enhancing our digital platforms, the kick-off of our State high-performance program, and adoption of an entry level program, 'Spinneroos'.
- On-going desire to engage with our Affiliates and members and provide assistance and expertise where possible – recent EPIC table tennis club enhancement initiative cited as a good example of this, with more to come as COVID-19 restrictions ease.
- Thanks to all members and Affiliates who give up their time voluntarily, without seeking recognition, for the love the sport.
- Expressed hope that if there is a silver lining to the pandemic situation, it has been to reinforce the importance that playing table tennis, whether socially or competitively, has in our lives.
- Look forward to a much more positive remainder of 2020 and beyond, as restrictions are hopefully eased sooner rather than later.

The 2019 Annual Report was provided to all Affiliates via web link when the AGM notice was provided of this AGM.

Some specific aspects of 2019 activity that the Chair wished to draw attention to:

- i) 2019 annual membership numbers of 4438 regular Members – this is a small reduction of 3.11% on the previous year, which our planned initiatives hope to tackle.

- ii) On-going prudent financial management, continuing the trend of only minor surpluses or losses at the same time as increasing investment in our programs and people, and.
- iii) The launch of a State level High Performance program to support those players not yet in the National team but aspiring for Australian selection.

The Chair asked for an Affiliate to move that the 2019 Annual Report be accepted, and for a seconder.

Max Coulthard (Mornington Peninsula) moved that the 2019 Annual Report be accepted.

Heather Letwin (Melbourne Lakeside) seconded the motion.

The 2019 Annual Report was duly accepted.

5. AUDITED 2019 FINANCIAL ACCOUNTS

- The 2019 audited accounts were contained at page 53 and onwards of the 2019 Annual report.
- It was noted that these accounts have been ratified as a true and accurate reflection of TTV's financial position by Graham Morris of Billings & Ellis registered company auditors.

The Chair asked for an Affiliate to move that the Audited 2019 accounts be accepted, and for a seconder.

Rod Cowling (St Kilda Cricket) moved that the Audited 2019 accounts be accepted.*

Brian Zammit (Coburg) seconded the motion.

The 2019 Audited accounts were duly accepted.

**although Rod Cowling was not the nominated Delegate of St Kilda Cricket, he was permitted to act as such for the purposes of the meeting by St Kilda Cricket & TTV by arrangement. Kameron Chan (Albert Park) has also agreed to act as an additional seconder.*

6. SPECIAL RESOLUTIONS

- Thanks to Tom Dixon from VicSport who kindly agreed to act as an independent scrutineer to oversee the counting process.
- Public acknowledgement and thanks again to VicSport for their hard work on behalf of the sports sector as a whole during the pandemic, and particularly for their help with this AGM.
- Reminded all of the recent Special Resolutions Forum which was held on Saturday 27 June to inform the voting on the four Special Resolutions which were proposed.
- Confirmation that as per the definition of a Special Resolution contained within the TTV Constitution, for such a resolution to be passed, it must be approved by at least $\frac{3}{4}$ (75%) of those members who, being entitled to vote, subsequently do so via any permitted means.

The Chair handed over to Tom Dixon from VicSport to announce the voting results.

- Tom Dixon confirmed that he had scrutinized the votes, and that the results he was to announce had been verified as accurate.
- Noted that as he moved through announcing the results of the voting, observers may notice that the number of votes cast varies a little from resolution to resolution – this is because some Affiliates only chose to vote on selected resolutions or elections, which is their prerogative (and not a calculating error).

SPECIAL RESOLUTIONS – POLLING RESULTS

Votes were received from 29 Affiliates & Life Members.

Dealing with the Special Resolutions in order:

- **Firstly**, motion **D1** proposed by Bendigo & Districts relating to the filling of casual vacancies.

2472 votes representing 74.3 % were cast in support of approving the motion.

854 votes representing 25.7 % were cast in support of not approving the motion.

The motion was therefore **not approved**.

- **Secondly**, motion **D2** proposed by Diamond Valley relating to the setting of membership fees.
1745 votes representing 51.8 % were cast in support of approving the motion.
1621 votes representing 48.2 % were cast in support of not approving the motion.
The motion was therefore **not approved**.
- **Thirdly**, motion **D3** proposed by Diamond Valley relating to the By-Law amendment process.
1466 votes representing 44.1% were cast in support of approving the motion.
1860 votes representing 55.9% were cast in support of not approving the motion.
The motion was therefore **not approved**.
- **Fourthly** and finally, motion **D4**, also proposed by Diamond Valley.
As D3 was not approved, motion D4 was technically a moot point as By Law changes remain under the sole auspice of the Board.
However, in the interests of transparency and good governance, Tom Dixon read out the vote results which were:
1835 votes representing 55.4% were cast in support of approving the motion.
1479 votes representing 44.6 % were cast in support of not approving the motion.
The motion would therefore **not have been not approved either**.

In summary, none of the Special Resolutions reached the 75% threshold, and were therefore **all not approved**.

7. ELECTION OF BOARD MEMBERS (DEPUTY & ELECTED DIRECTORS)

Tom Dixon (VicSport) continued to read the results.

DEPUTY CHAIR

There were 2 candidates for the Deputy position - Leanne Conrad & Daniel Moloney.

The results were 1236 votes for Leanne Conrad, and 1880 for Daniel Moloney.

Daniel Moloney was duly elected as **Deputy Chair** with a term expiry of 2023 AGM.

ELECTED DIRECTOR

For the position of Elected Director, only one valid nomination was received which was from Leanne Conrad – she offered this as an alternative to her nomination for the Deputy position.

Leanne Conrad was the only candidate nominated for this position, receiving 3196 votes and was duly elected as a **Board Director** with a term expiry of 2023 AGM.

Tom Dixon closed the formal voting announcements and handed proceedings back to the Chair.

The Chair thanked Tom Dixon/VicSport and congratulated both Daniel Moloney and Leanne Conrad on their elections.

The Chair noted that several vacancies did still exist on the Board which were not up for election at this AGM - the Board will look at this matter over the next few months with a skill set matrix in mind.

A public call for nominations will occur – Affiliates were encouraged to be aware of this.

8. FORMAL CLOSING

- Thanks again to Affiliates and other observers for their attendance and participation. Special thanks to those in the TTV office who facilitated this AGM and related administration in difficult circumstances.
- Announced that the TTV Board have resolved to elevate the following three individuals into the Victorian Hall of Fame (Senior Division), by virtue of By Law 18. Those newly elevated Hall of Fame members are:

1. David Powell

Two-time Olympian in Tokyo 2021, after already representing Australia in Rio 2016. 2x Commonwealth Games in 2014 & 2018, and Victorian Open champion in 2014 & 2016.

2. Kyle Davis

An Olympian, representing Australia at the 2008 Beijing Games. Victorian Open champion in 2007.

3. Lorraine Nicholson (nee Prowse)

Several Victorian & National Doubles titles.

Represented Australia (pre-Olympics) at Seapatt tournaments in 1960 & 1968.

Represented Victoria on more than 10 occasions.

Congratulations to David, Kyle & Lorraine - their details will be included in the 2020 Annual Report, and further public announcements of these elevations are to be made via TTV website and social media.

- Reminder to follow the current TTV Return to Play plan if you are in a regional area which allows you to do so, and to stay safe.
- Keep checking the TTV website and Facebook page for communications about the impact of COVID-19 on our ability to play, and also around any tournament news, including arrangements for the Nationals.
- Noted that it is planned to hold a President's Forum later in the year – subject to COVID-19 restrictions. Future announcements will be made around that.

9. Q & A

- Max Coulthard (Mornington Peninsula) noted the votes cast regarding Special Resolution (D1) and requested that the Board give consideration to the strength of support that the motion received, despite its ultimate disapproval.

The Chair undertook to discuss the matter both internally, and to include as a topic at the planned President's Forum.

- Gary Warnest (Bendigo) enquired when the results would be announced of the recent survey which was undertaken by TTV relating to the Victorian Country Championships.

The CEO indicated that the AGM had taken precedence in recent times, but that the Board meeting next week (Thu 16 July) would likely result in an announcement being made shortly afterwards regarding the tournament.

- Mark Taylor (Warrnambool) enquired what steps, if any, TTV could suggest for

encouraging individuals to take out 2020 memberships, given the disruption to the first half of the year. He noted only 9 memberships to date at his own club.

Claire Montgomery (ECO, TTV office) reminded all Affiliates of the half year option which is open to members from 1 July.

It was clarified that **Half Year Fees** are available to **all members for 2020 due to COVID-19**, and not just new members as usual.

- Heather Letwin (Melbourne Lakeside) asked if Affiliates' voting power at 2020 AGM would be dictated by 2020 membership numbers.

The CEO responded that they would, as the TTV Constitution did not allow for an alternative approach – he reminded that the half year option could be helpful here.

Annual General Meeting closed at 12.30pm

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 (Vic). The Board has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. **Income Tax**

The association is a not for profit entity and is exempt from income tax.

b. **Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

c. **Impairment of Assets**

At the end of each reporting period, the Board reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

d. **Employee Provisions**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

e. **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

f. **Cash on Hand**

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

g. **Accounts Receivable and Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

h. **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

i. **Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

j. **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

k. **Financial Assets**

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

l. **Accounts Payable and Other Payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020		
NOTE 12: IMPACT OF COVID 19 & SUBSEQUENT EVENTS		
<p>The Covid 19 pandemic had a significant impact on the activities of the organisation in 2020 which affected the financial results for the year. Tournaments and events were cancelled from March 2020 for the remainder of the year, membership renewals were affected and this resulted in a loss of overall revenue for the year of \$599,240, as compared to 2019.</p>		
<p>Membership numbers in 2020 were down 2,029 from 4,089 members in 2019, to 2,780 in 2020 – a reduction of 42%. Refunds of 50% were applied to those members who had already renewed.</p>		
<p>The decline in revenue was somewhat offset by associated event and operational cost savings. Funding of \$257,170 was received from the Government in the form of JobKeeper wage subsidies, CashFlow Boosts, Business Support Grants, and Economic Stimulus grant funding for the Sporting Sector.</p>		
<p>The organisation also received approximately 30% less revenue (around \$22,500) from the contracted amount set out in the Licence Agreement with the State Sports Centres Trust, which was varied at their request upon negotiation.</p>		
<p>The Board is aware that another potential Covid 19 outbreak and further restrictions on movement may have an effect on future revenue. Due to the uncertainty surrounding Covid 19, an estimate of this impact cannot be made.</p>		
<p>Significant uncertainty remains regarding the organisation's on-going revenue stream via their tenancy with the State Sports Centre Trust at MSAC. Current lease and license agreements lapsed on 30 June 2020, and despite concerted efforts on behalf of the organisation, it is yet to receive any formal renewal documents from the State Sports Centre Trust</p>

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

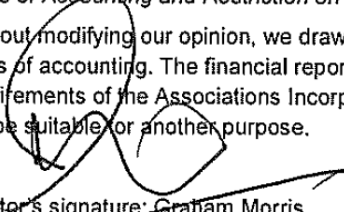

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
