MESSAGE FROM THE PRESIDENT (Phillip Carruthers)

2008 has been a year of consolidation for TTV, after the significant staff turnover during 2007. While there were some changes in the personnel, the administrative team functioned smoothly during the year. 2008 was once more a year of competitive success for Victoria, with continued success in junior, senior and veterans' competition at both national and international level. I would like to congratulate all players on their achievements during the year.

I would like to take this opportunity to thank all the volunteers who continue to help make Victoria the showcase of table tennis in Australia. Their efforts often go unrecognized, but they all make a substantial contribution to TTV's overall success. My thanks also to Chris Horwood, Chief Executive Officer, and Aimee Dundon and Sarah Gray, our Administration and Events Officers for the past 12 months, for their efforts. Finally, I would like to thank all members of the Board for their continued efforts during the past year.

CHIEF EXECUTIVE OFFICERS REPORT (Chris Horwood)

The past year was one of consolidation for Table Tennis Victoria. While there was some turnover in the administration position, we were fortunate that there were no significant disruptions to TTV activities. Aimee Dundon, who joined our staff in September 2007, resigned to follow opportunities in Queensland. Sarah Gray, who replaced Aimee, left us late in the year to return to school to follow an educational alternative. Shelley Snow has just joined the TTV team and we look forward to a long and happy association. Shelley may be known to some of the table tennis community as she conducted the Victorian Schools Singles Championships as a volunteer for TTV during 2008.

TTV has continued to work with the Department of Planning and Community Development (Sport & Recreation Victoria) to increase the reach of table tennis across the state. The website project that was commenced in mid 2007 has seen 5 new clubs join the TTV website, with their own pages and competition results records. We have since received a number of enquiries from clubs wanting to register their pennant competitions with TTV so that players are listed on the TTV points record. During 2008, the TTV Board commenced a review of its Strategic Plan. A draft has been completed and circulated to clubs and associations for comment. In early 2009, meetings will be held in a number of locations around the country areas and in Melbourne to give clubs and associations an opportunity to comment on the draft and make suggestions for amendments.

The most exciting development during the past 12 months has been the funding of an elite athlete pathway program in conjunction with the South West Academy of Sport in Warrnambool. This program, which has received 2 years funding from the Department of Planning & Community Development, has involved the establishment of table tennis as a specific sport within the SWAS program. 9 athletes have been inducted into the initial training squad which meets at least weekly and receives specialist training arranged by TTV. The program also aims to increase the knowledge base of the local coaches so that the players can receive more advanced coaching at a local level, reducing the need for players to travel to Melbourne for elite level programs. As part of the project, TTV is developing a model for implementing the program at other Regional Sports Academies within Victoria.

During the past year, Victorians continued to record outstanding results at national competitions. Victorian players were successful in winning both men's & Women's Under 21 singles titles in 2008, as well as a clean sweep of all age groups in the boy's singles in the Junior Championships in Adelaide. Victorians also claimed Under 15 & 13 girl's singles titles. Trent Carter claimed both the Under 21 and Open Oceania titles.

TTV Super League provided another enthralling elite team competition, with the Croydon team emerging victorious after an exciting competition. The opportunity to see the best players in Victoria competing against each other was enjoyed by a large crowd that followed the competition closely each week. The final was another closely contested affair, with the result hinging on the final match of the night. Thanks to Michael Brown, the competition manager, who worked tirelessly to ensure the success of the competition. We look forward to bigger and brighter things in 2009.

The functions of TTV could not be as successful as they are without the tireless dedication of a number of volunteers. I would particularly like to mention Bob Grattidge, who has run the TTV pennant competition for more than 30 years, Angelo Tabone, who takes control of the computer input and operations for the tournaments conducted at MSAC, Helen Pottage, who is our court announcer for the tournaments at MSAC, Shelley Snow, who organised the Victorian Schools Singles Championships, and Peter Carmody, who helps around the office in any number of ways. This year I would like to pay a special tribute to Joan Guggenheim, who has been the rock on which the extremely successful veterans' competition has been founded. After many years, Joan has decided that others should now share the load. I salute Joan for her dedication to the sport, and especially veterans' table tennis, and hope we will see her among our competitors for many years to come.

Finally, I would like to thank the Board of Table Tennis Victoria for their support during the past 12 months. I speak from personal experience when I acknowledge the commitment Board members make in terms of time and effort to ensure that TTV members have the opportunity to enjoy the sport under the best conditions we can achieve. We can be proud of the efforts that they make on behalf of all the players in Victoria.

OPERATIONS PORTFOLIO REPORT (Phil Davis)

The TTV website continued to provide our main communication medium, with hits increasing by 30% on 2007 figures. The Super League section, driven by Super League administrator Michael Brown, proved a hit during the Super League season.

TTA introduced a new membership database and tournament results system in 2008. So far it has proven to be unreliable (especially in resolving duplicate names within and across states), unsuited to table tennis and unresponsive with respect to customization to suit our needs. TTV did not implement the system and awaits an improved direction from TTA in 2009.

The athlete points/ranking system continued to evolve with close to 1,000 athletes on the lists. A Points Sub-Committee was established during 2008 and they have been effective in improving supporting business processes. While the models on which our system is based continues to be a topic of divided opinion, the system provided excellent objective data for selectors and athletes throughout the year.

VETERANS PORTFOLIO REPORT (Fanny Ho)

2008 was another successful year for our players. Congratulations to all who were involved in either competing or organizing events.

Victorian Veterans continued to dominate at the New Zealand Veteran Open Championships over Easter and at the National Championships in Perth in October. In addition, some players attended the World Veterans Championships in Rio de Janeiro, Brazil in May.

We continued to see players come out of retirement and compete in Veterans pennants and tournaments.

We welcome the many new players who joined our Friday night pennant at the Melbourne Sports & Aquatic Centre during the year. We also welcome new members to the Pennant Committee who work to ensure it is enjoyed by all.

Sunbury staged their inaugural Veterans tournament during 2008. It was a great success and everyone who competed on the day thought it was very well conducted. Well done, Sunbury. We encourage other associations to host Veterans events.

We are only able to enjoy the sport through the dedication and tireless efforts of an enthusiastic Veterans Committee. Thank you for your support and a job well done.

SENIOR PORTFOLIO REPORT (Bill Sheehan)

Senior Tournaments

Starting with the City of Melbourne Open at MSAC, senior tournaments were held successfully at Geelong, Mornington, Warrnambool Ballarat and Croydon. In addition, the Victorian Top 8 was a great success at Albury-Wodonga, as was the Javor Cup at MSAC. The remaining events at MSAC were the Easter Classic, Victorian Open, Australian Open (see report below) and the MSAC Open. In line with TTA policy, Over 30 events were conducted at all of these events.

Australian Open.

This was held at MSAC between 20th and 26th July 2008 with over 90 competitors taking part, including a number of overseas athletes. ASADA conducted drug testing on selected athletes during the event, but there were no positive tests reported as a result.. The Closing Function at Lago Restaurant & Bar was well attended and considered successful. We achieved a positive financial result from the event, as has been the case in the past.

TTV Pennant.

The revised Metro League achieved better results than even we expected, with a higher standard of athletes taking part. The formula will be repeated in 2009 and we expect similar results. TTV would like to thank Bob Grattidge and Greg Robbins for their efforts during 2008 in establishing the new format for pennant competition.

French and Coburg Awards.

Continuing with the formula which includes weighted consideration of the various criteria that had been established, worthy winners of these awards have been chosen by the selectors and the results are listed in the Awards section in the Annual report

JUNIOR PORTFOLIO REPORT (Jim Montgomery)

2008 represented another successful year for junior table tennis in Victoria. The results that were achieved by Victorian players at National and International events were outstanding.

National Championships

Victorian junior players achieved outstanding results during the 2008 Australian Junior Championships in Adelaide. The teams captured gold medals in every age group except one, with minor medals gained by B teams as well. Victorians captured five of the six available singles gold medals, as well as a number of medals in doubles events. This outstanding result came about from the reinvigoration of the coaching programs and the application of the players to their own continuing improvement.

Tournaments

A full roster of junior events was staged at the MSAC and affiliated associations. The Victorian Closed tournament was successfully staged at Mornington Peninsula TTA stadium and we thank them for their co-operation. We continue to encourage players to travel to events located outside Melbourne so that local players can be exposed to a higher level of skill than would otherwise be the case.

South West Academy of Sport.

The introduction of table tennis as a specific sport at the South West Academy of Sport at Warrnambool is an exciting initiative. Funded for 2 years by the Sport & recreation Victoria unit of the Department of Planning and Community Development, the aim is to provide players in the south-west of the State opportunities to receive advanced coaching without having to travel to Melbourne regularly. Players who were part of the initial enrolment have shown the results of the program's activities so far and we will watch the development of this program with interest.

Ongoing & Future Initiatives

In common with many other sports, table tennis faces a struggle to attract and retain players in its competitions. The ongoing group coaching sessions conducted by Brian Berry each Saturday and Monday are instrumental in

Introducing new players to the sports. Support of State (VSSSA), Grammar (AGSV) and public (APS) schools competition as well as the Victorian Schools Singles Championships all allow us to seek new players who may already have an interest in the sport and who could develop further under experienced coaching. The continued development of the National Training Centre based at MSAC provides our elite junior players with opportunities to mingle and train with Australia's best and learn what is required for success at the highest level.

As an experiment, TTV trialed a half day encouragement tournament combined with an optional training session following the event. This arrangement proved to be highly acceptable to the parents, while needing some refinement in organisation. The event & training session has produced a good number of new players who are willing to commit to regular training activities and to participation in tournaments. We intend to follow this arrangement in future and look forward to similar results.

Despite the challenges we face in attracting more players to the sport, Victoria continues to hold its place as the most powerful table tennis state in the nation. Our players continue to make up the bulk of junior teams selected for international competition, and with the continued activities of the National Training Centre, our future as a dominant force in the national scene seems set to continue.

COACHING & ATHLETES WITH DISABILITIES (Keith Mundy)

Coach Development

Two National Coaching Accreditation Scheme (NCAS) Level 1 Coaching Courses were conducted this year at MSAC - one in November and one in December. A total of 27 participants took part in the 2 courses and of these 6 have gone on to complete their Level 1 requirements so far. The participants that have successfully completed all of their Level 1 requirements are Michelle Carpenter, George Chan, Julie Davis, James Hill, Vicky Lee and Catherine Morrow. Nicole Freeland also completed her Level 3 requirements.

National Training Centre

Alex Jakubczak was named as the Victorian Coach of the National Training Centre and Keith Mundy as High Performance Manager.

High Performance Squad – Trevor Brown, Trent Carter, Kyle Davis, Chamara Fernando, Robert Frank, Jian Fang Lay, Miao Miao, Stephanie Sang and David Zalcborg.

Development Squad – David Powell.

Youth & Junior Squad – Edward Andersen-Higginson, Jesse Bricknell, Michelle Carpenter, Simone Chuah, Edwin Cotter, Anna Du, Heming Hu, Tony Liu, Cassandra Ng, Tim Nguyen, Lily Phan and Melissa Tapper.

Paralympic Preparation Program

Victorian athletes were selected in the Paralympic Preparation Program (PPP) for 2008. The squad members were Julie Davis, Rebecca Julian, Sarah Lazzaro, Catherine Morrow, Michael Tomlinson, Jane Wallis and Steven Watts.

Beijing Paralympic Games

Rebecca Julian, Sarah Lazzaro and Catherine Morrow qualified for the Beijing Paralympic Games. Rebecca and Sarah competed admirably for Australia although failed to win a match. They will be much better for the experience. Unfortunately, Catherine had to pull out prior to the games due to ill health.

Victorian Open AWD Championships

The Victorian Open Athletes with a Disabilities Table Tennis Championships were conducted at the Geelong Table Tennis Stadium with athletes from many states traveling to compete. The tournament was played over 3 days with 73 athletes competing.

Talent Search Days

Talent Search days were held in conjunction with the Australian Paralympic Committee. The aim of these Talent Search days is to identify athletes who have the potential to compete at future Paralympic Games. Most of the Talent Search days are multi-sport events but in a new initiative Table Tennis conducted the first single sport event at MSAC, which was a huge success with 25 athletes attending.

MEMBERS' PORTFOLIO REPORT

Membership numbers in 2008 increased slightly over levels reported last year. And our membership base remained solid throughout the year. The new clubs that joined TTV during 2007 have maintained membership and numbers and the number of recreational players that take part in table tennis in a non-competitive environment continues to grow. We have had increased activity in Caroline Springs, in Melbourne's west, and Boolarra, in south Gippsland, where a thriving recreational group has been established.

We are currently working on methods to continue to increase membership among our existing clubs and encourage new ones in high growth areas. The outer eastern and expanding western suburbs provide fertile ground for the development of new organisations. Access to school groups also encourages membership and we aim to pursue contacts with schools and their associated sporting organisations vigorously in future. Local government authorities are also interested in developing facilities for community use and TTV continues to be involved in discussions with a number of councils on the establishment of facilities appropriate for our sport.

Our thanks also to the management and staff of the State Sports Centres Trust (MSAC). Their continued co-operation with TTV assists us in bringing events and regular competitions to players at the venue.

Thanks are expressed to Mr Craig Letch (Auditor) and Mr. Warren Woolcock (Legal) for their professional assistance and advice throughout 2008.

A very special thank you is also due to all office bearers, committee and sub-committee members and many other volunteers in our Affiliated Associations/Clubs who plan and conduct the many table tennis programs offered throughout the state. Without their ongoing support and assistance TTV could not function.

FINANCIAL REPORT

1 JANUARY 2008 – 31 DECEMBER 2008

Notes to financial statements

The financial report is complete after the audit and the Audit Statement is attached.

Please note that 2008 reporting was done under a new software package (MYOB) and a different chart of accounts a direct comparison was not possible. The implementation of the new software has meant that a more appropriate chart of accounts has been implemented. The finance report from 2007 has been reproduced.

By comparison to 2007 surplus \$354.58 a deficit of \$4247.62 has been reported for 2008. This is due to the uptake of an audit recommendation of a provision for Doubtful Debts \$6550. Without this "book" entry a surplus of \$2302.38 would have been reported.

Income: 2007 / 2008 comparison

Total Income (includes 8-1000 interest income) – Increased by \$15716.48

4-8000 4-9000 - (Category 44000): Supplementary Income: Decrease largely due to the loss of VicHealth funding. This affected the first half of 2008 as was reported last year the flow on from the second half of 2007

4-3000 – (Category 46100): Coaching income: Continued to grow largely due to National Coaching Centre.

Expense: 2007 / 2008 comparison

5-0000 – (Category 58000): Cost of Merchandise: Increased due to implementation of new State uniform.

6-8010 – (Category 661441): Insurance Expenses: Increased cost of Insurance.

6-3000 – (Category 63000) Coaching Expenses: Decreased due to reduced cost of National Training Centre.

VICTORIA INC.**

Scope

I have audited the financial report, being a special purpose financial report, of Table Tennis Victoria Inc. for the year ended 31 December 2008 comprising Profit and Loss Statement and Balance Sheet. The Table Tennis Victoria Inc. committee is responsible for the financial report and has determined that the accounting policies used are appropriate to meet the needs of the Associations Incorporation Act of Victoria, Table Tennis Victoria Inc. constitution and the needs of the members. I have conducted an independent audit of this financial report in order to express an opinion on it to the members of Table Tennis Victoria Inc. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

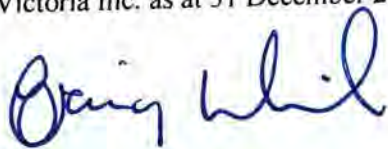

The financial report has been prepared for distribution to the members for the purpose of fulfilling the committee's financial reporting requirements under its constitution and the reporting requirements of the Associations Incorporation Act of Victoria. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members of Table Tennis Victoria Inc., or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures were undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies so as to present a view which is consistent with our understanding of the Association's financial position and performance. These policies do not require the application of all Australian Accounting Standards, UIG Consensus Views and other professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.
