## Chairman Report

2014 has been a very successful year for the Association with many clubs advancing significantly with new or improved facilities and building a stronger presence in their communities. Victorian clubs have hosted a number of significant national and international events and the Croydon and Bendigo associations in particular should be congratulated on their outstanding performances.

At the state level a significantly improved State Table Tennis Centre has been established at MSAC and partnerships with Mark Smythe Table Tennis and TTA have resulted in enhanced elite training programs.

On the court we have continued our success. Our juniors continue to perform well, with a number representing our country. Our senior players continue to do well nationally and internationally, with strong performances by our stalwart women players, Miao Miao, Jian Fang Lay and 'resident' champion William Henzell, and by our emerging talent in David Powell and Melissa Tapper.

Our Veterans players exceeded even their own high standards. Victoria was dominant at the Australian Championships and Victorians performed exceptionally at the World Veterans Championships in Auckland, with Pam Tait and Margaret Mulcahy winning the gold medal in the over 75 Women's Doubles and Igor Klaf winning gold in the over 70 Men's Doubles. Nela Bran, Mick Wright, Geoff Nesbitt, Lois McConnell, Maureen Fischer, Ken Johnson and Prisca Rosario all appeared amongst the medallists. Pam and Margaret were also very successful at the International Veterans Tournament in Turkey in October 2014.

I would like to thank all Board members for their fine efforts over the last year and over the longer term. Their task is often a thankless one and the hours they commit to provide stewardship to our sport are invaluable. I would also like to thank the host of volunteers who make the same commitment at club and state level. Without these people we would have no sport. Finally I would like to thank the employed TTV staff. Their commitment and devotion of hour's way beyond those expected in a normal employment relationship is a huge credit to them. Their willingness to lead change is advancing our sport and helping it gain recognition and status beyond its player numbers. I'd particularly like to thank our CEO, Anne King, for her exemplary performance in this regard.

It's been an honour and a privilege to be President of TTV and I thank all of you for your support.

## Chief Executive Officer Report

We welcomed and assisted affiliation of four new Associations of St James Keenagers, Table Tennis Monbulk Association, Triangle Table Tennis and the Yarra Table Tennis Club. We were also consulted in a support role for the expansion and redevelopment of Mornington Peninsula TTA, Werribee TTA, Horsham TTA, the new proposed facility at Frankston as well as a strategy paper for ESCTTA/City of Whitehorse. We held exhibitions at the MCG Sports Museum and the AAA program at Federation Square as well as involvement with the Corporate Games, Special Olympics and the Victorian Olympic Council's meet the Olympian program in regional Victoria.

Whilst some of our Associations are thriving, others have struggled. The lack of adequate facilities has made it prohibitive for some of our Associations to grow, in particular where they have to compete with other sports in venues.

On the positive, our work was rewarded with an unexpected Access All Abilities program grant. Our Victorians More Active grant was on target and we are well placed for further funding. Our gratitude to Sport & Recreation Victoria and the Department of Transport, Planning and Local Infrastructure for their support. A big thank you goes to former Minister Damian Drum who provided table tennis with some media exposure and we are looking forward to engagement with our new Minister for Sport, John Eren MP.

Having introduced a new logo in 2013, we wanted to extend this to a new State uniform and provide our Junior, Senior and Veterans teams with a female and male option, good quality fabrics and modern design. We introduced a hoodie and vest which was a favourite with the younger and older players. Whilst players were attached to the old uniform and needed some convincing, the reward came when we received great feedback from the other States and players. A big thank you to the Veterans Committee who worked sensitively to ensure that everyone was in the new uniform.

With the ongoing discussion of transparency in the points system, and a desire to reduce manual manipulation and step away from the high organisational risk of the 'one man show,' the Board decided to engage InteractSport to manage our website, membership database, pennant and tournament software and the all-important points and ranking system. Whilst given all assurances, this proved to be an ambitious program which clearly InteractSport did not live up to. Whilst transitioning over time would have been the logical and planned process, the old provider made this untenable and pulled the plug and reduced our access to the system prior to the end of our contract. This only enforced the Board's view that we needed to move to a more professional approach and provider.

The result of the contract with InteractSport, meant that we did not have any meaningful points or ranking. Whilst this caused angst among players, there was also understanding and tolerance, and I would like to thank players for their patience. The Board formed the Ad-Hoc Technical Committee towards the end of the year, and I am pleased to say that they are working well and have identified Zermelo as the preferred tournament software to be used in 2015, with Rating Central to be used for the Points system. The strength of the points/ranking system will depend on all Associations logging their results and early indications are that this is working. This is a work in progress and I would like to thank the Chair of the Technical Committee together with the members, who have actively engaged in working through the issues and looking for solutions, and all

others who have provided constructive input.

Whilst Country Week and the Veterans Tournaments continue to pleasingly grow with excellent committees behind them, our Junior and Senior Tournament numbers are not doing so well. Our Tournament formats and structure will be a major consideration towards our strategic planning in 2015.

We received a grant from Vicsport on a Change Management project addressing membership structure, and a research grant from La Trobe and Deakin University looking at the low participation of girls in our sport. Results from this research will become available mid-2015.

We welcomed Luci Galea in early 2014 and Rosie Murphy in June. The administration changed 100% and it was a challenge to get up to speed. I am pleased to report the both Luci and Rosie have made an impact on the organisation and provided a significant contribution and dedication, and I am fortunate to be working with them and grateful for the support they provide.

Our newly elected Deputy Chair Kelvin Putt also attended the Victorian Government sponsored Board Member Governance course and Chair Phillip Carruthers and myself, continued meeting with Association Committees.

A sponsorship is not worth doing if you have to keep referring back to the conditions of the contract. There has to be mutual understanding and respect, and an alignment of purpose and values. A special mention to our major gold long time sponsor of Robert and Andrea Katsipis and their family at Affordable Table Tennis who not only provide a professional service but emulate old fashioned handshake arrangements and credibility. A thank you also to our others sponsors of Cyngler Kaye Levy Lawyers, Acland Travel and the Bayview Hotel.

We hoped to answer the long standing question of "what do we get for our membership" which comes up every year at registration time. Whilst our registration fee is very low compared to other sports it also provides accident insurance as part of the national insurance scheme which is a requirement to compete in pennant and tournaments, and giving protection in case of accident and injury. We felt that we would add further value with the introduction of the Where to Enjoy member benefits program. Whilst the program is only available to full members, we had hoped that recreational members may also see the benefit to upgrade their membership as the benefits associated with groceries and petrol alone would more than pay for membership. The report on uptake of the program for the last quarter of 1 October – 31 December 2014 was Gift Cards purchased: \$90,600, Unique Web visits: 12,985 and there were 1,331 members as at December 31st 2014. 2014 also saw the removal of the TTV membership card which provided limited benefit as a keepsake but became unviable to continue due to costs associated with manufacture and postage. Instead associations are encouraged to produce their own club card which would be an opportunity for sponsorship and provide a sense of belonging.

Our generous and dedicated volunteers are the backbone of the sport and we could not exist without them. Their commitment does not only consist of hours and days but for some decades of contribution. Just like the players, they are passionate about table tennis, however the fundamental difference is that they have taken the extra and sometimes difficult step to work and help the organisation. On occasion in the performance of their duties they have had to take criticism from others which is a humbling act considering that they do not receive monetary reward, in fact most volunteers are at a financial disadvantage supporting their volunteer role. Our deep gratitude to the volunteers of our Finance & Audit Committee, Technical Committee, Junior, Senior & Veterans Committee. Country Tournament Committee, the Umpires & Referees and the Junior, Senior and Veterans Selectors, as well as Team Managers and Non Playing Captains supporting our Teams at National Championships.

We would like to thank the parents who devote their limited financial resources and act as chauffeurs, endeavour to provide an opportunity to the sport as our junior players are our future, and whilst some do not continue it is heartening to see new players emerge. We watch them develop into young adults and hopefully see them continue in our sport. Whilst we have a small crop of dedicated coaches our aim is to increase this pool with the introduction of the Community Coach Level 0, and enhancement of the Level 1 Coaching Course which is set by Table Tennis Australia.

I would like to acknowledge our elite players who we aspire to emulate and who provide the dream and act as a pathway not only for our junior players but also to the adult beginner and seasoned veteran. Their results will be found within the annual report.

A force to be reckoned with is our increasing Veterans army. We have seen their tournaments and involvement grow and they represent a significant membership across all our Associations. The future looks bright with research pointing to a longer lifespan with table tennis being well known for its mental, physical mobility and health benefits.

We continued the opportunity for discussion and debate, at the Associations Forum in May, which involved Association representatives and at the President's Round Table later in the year involving Presidents or Vice Presidents depending on availability. The two distinct forums are aimed to involve different representatives from Associations to increase the depth and breadth of ideas and provide opportunity for information exchange, have been well received by the majority of clubs/associations.

Our financial performance and practices have been further strengthened with the implementation of the new cloud based Xero Accounting system at the start of our financial year which is January to December, and the engagement of Jadestone Business Services. Whilst the administration processes payments and issues invoices with a monthly reconciliation, Jadestone provide monthly reporting, to ensure another layer of governance and oversight. This easy to use intuitive software has provided the Board with better reports and again for the third year an Unqualified Audit Report. Following our successful introduction this model has now been taken up by other sports like Netball, Swimming and Calisthenics. We hope to introduce this model to our Associations to try and reduce the burden of their financial accounting practices.

Following years of discussion and negotiation with MSAC, TTV is pleased to report that in agreement we moved forward to take ownership and rebranded the table tennis hall to the State Table Tennis Centre. A capital works grant will see an upgrade of the centre which commenced towards the end of the year with the refurbishment of the umpires chairs and repainting of the hall to commence early in 2015. We will also see nineteen new tables and a table replacement program implemented. We endeavour the inherent lighting issues will be fixed with lighting lowered and different globes replaced also early in 2015. We hope this will go some way towards addressing the criticisms of conditions and bring our players back to our home base at MSAC.

Finally, as part of the Board's succession planning, Phillip Carruthers retired in December following fourteen years as President/Chair, to pass the mantle to the Deputy Chair Kelvin Putt to ensure stability and a smooth transition. Phillip has made a major contribution to our sport, and I would like to express my gratitude and thank him and the other members of the Board for their support and guidance.

**2014 Australian Junior Championships**  
**28 September 2014 – 5 October 2014**  
**Hurstville NSW**

Victoria had a contingent of 43 and the teams competed in Under 18 Boys, Under 15 Boys and Girls and Under 13 Boys and Girls, as well as selecting players to take part in President's teams. It was disappointing that we were unable to field an Under 18 Girls team in 2014.

The team held a training/development session at the Coburg Table Tennis venue where the new team uniform was also distributed and included President's players who were able to purchase a uniform for the first time. To expose our juniors to athletes from other sports we had Olympic Aerial skier David Morris share his insights on what it takes to become an Olympic medalists. The session was well received from players and parents who were also invited to join the team for this session.

The teams and the individuals who competed achieved good results. All of the teams won medals, with the Under 18 Boys teams achieving the most outstanding results, with the State team winning gold after being ranked 9<sup>th</sup> at the start and the B team finishing in 4<sup>th</sup> place when ranked 10<sup>th</sup>. The Under 13 Boys team achieved a similar result. A full list of the results is set out below:

<b>Under 18 Boys:</b>	Victoria	Gold medal (Ranked 9 <sup>th</sup> at start)
	Victoria B	4 <sup>th</sup> place (Ranked 10 <sup>th</sup> at start)
<b>Under 15 Boys:</b>	Victoria	Silver medal (Ranked 1 <sup>st</sup> at start)
<b>Under 15 Girls:</b>	Victoria	Gold medal (ranked 2 <sup>nd</sup> at start)
<b>Under 13 Boys:</b>	Victoria	Gold medal (ranked 9 <sup>th</sup> at the start)
	Victoria B	9 <sup>th</sup> place (ranked 10 <sup>th</sup> at start)
<b>Under 13 Girls:</b>	Victoria	Bronze (ranked 2 <sup>nd</sup> at start but lost their no. 1 player to injury just before the competition and she did not play any matches)

The results in individual events were encouraging, although our dominance is being challenged by both New South Wales and Queensland, with their elite training programs producing outstanding individual players. Notable results in individual events are listed below.

<b>Under 18:</b>	Boys Singles:	Dillon Chambers (Silver); Dominic Huang (Bronze)
	Boys Doubles:	Dillon Chambers & Erny Tsao (NSW) (Gold)
		Dominic Huang & Yang Shen (Silver)
		Kevin Luong & Atul Shrestha (Bronze)
	Mixed Doubles:	Yang Shen & Antonia Zhang (NSW) (Bronze)
		Dillon Chambers & Vanessa Tan (NSW) (Bronze)

<b>Under 15:</b>	Boys Singles:	Atul Shrestha (Bronze)
	Boys Doubles:	Kevin Luong & Atul Shrestha (Gold)
	Mixed Doubles:	Atul Shrestha and Antonia Zhang (NSW) (Gold)
<b>Under 13:</b>	Boys Singles:	Dylan Nguyen (Gold); Zaki Zenaidee (Silver) Ethan Lim and Finn Luu (Bronze)
	Boys Doubles:	Finn and Sky Luu (Gold); Dylan Nguyen & Nathan Shi (Bronze) Ethan Lim and J Leung (NSW) Bronze
	Mixed Doubles:	Dylan Nguyen & Cindy Suy (Gold); Ethan Lim & Parleen Kaur (Silver)
	Girls Doubles:	Parleen Kaur & Cindy Suy (Bronze)

The outstanding results that were achieved at Under 13 level holds the hope that Victoria will maintain a level of excellence in these championships in the future.

It is always difficult to attract good volunteers and ask them to give up paid employment and donate a significant amount of time. Added to this is the high expectation to ensure that the team perform to the best of its capacity. 2014 saw a change where we had some long term NPC's unavailable but welcomed new NPC's, in particular coming from the Veterans ranks, who wanted to make a contribution and help. A great thank you to the NPC's: Anthony Cejudo, Rod Kempton, Peter Tegelaers, Gordon Gun, Daisy O-Bryan, Jean Pierce. A special mention to 'team helpers' Gerry Grundy who drove the bus and Raelene Cosgriff who looked after food and assisted in general.

As is always the case when teams are involved in such events, a number of early issues arose which caused some alterations to our arrangements that had previously been in place. Our preferred venue for the evening meal felt unable to provide take-away meals, the supplies for breakfast proved to be inadequate initially and the planning for the supply of lunch needed further attention. Whilst we had used the same accommodation as in 2011, it did prove to have its challenges as it lacked an apartment style arrangement and no meeting room. In the interests of the smooth operation of our participation, the decision was taken for Anne King to replace the team manager for the remainder of the championships. The meal issues were satisfactorily resolved and the teams performed well despite the apparent disruptions.

Whilst challenging, everyone pulled together in Team spirit and a big thank you to all who were there.

### Sunday 29<sup>th</sup> June – Saturday 5<sup>th</sup> July

WATTA hosted the 2014 Australian National Championships at Curtin University from Sunday 29<sup>th</sup> June to Saturday 5<sup>th</sup> of July. This championship included both open age and Under 21 categories, and included a team's event.

The team departed Melbourne on Saturday 28<sup>th</sup> June direct for Perth. Accommodation was sought after from a travel agent in Melbourne that was in a close proximity to the venue. This was quite important from a logistical point of view and made ground transport to and from the venue easier. This was especially important since team matches were scheduled at different times of the day.

Each night, there was a bus schedule provided to the team to inform players of bus times and match times for the following day. We made sure they were appropriate bus times for each scheduled teams match.

There were a number of restaurants and supermarkets located within walking distance to both the venue and the accommodation, which again was an important factor and it made athletes more self-sufficient rather than relying on transport for meals.

### TEAMS EVENTS

The expectation was all athletes wore the new state uniform for duration of the team's matches and this was adhered to almost always, which of course was pleasing to see.

Victoria entered a team into each category. This included two teams in the Men's Team Competition (State Team & Men's B team), one team in the Women's Team Competition along with one team in the Under 21 Men's Team Competition.

The Teams event was a successful one for Victoria. The Men's state team progressed through their group without losing a team's match, while the Men's B team finished third in their group. This result was above expectation for the B team as they were seeded to finish fourth in their group.

In the Semi Final of the Men's event, Victoria defeated Queensland 4-2 and faced off against New South Wales in the final. This was an extremely close encounter, however Victoria prevailed 4-3 and won the teams championship. It was pleasing to see all members of the team were contributing and giving 100% in their matches.

The Men's B team was playing off for positions 5-8. In their first match they defeated the ACT 4-0 then played off against Western Australia for position 5-6 and won that match 4-2. This meant they ended up placing 5<sup>th</sup> in the event.

The Women's Team competition was a straight round robin consisting of five rounds. Our team won 4 out of their 5 matches, however lost in their final hurdle to a strong president's team. This meant Victoria still won the event and become team champion (as a president's team is not permitted to win the teams title).

The Under 21 state team also played in a straight round robin with six teams entered. They had wins over New South Wales, South Australia, Western Australia, and Western Australia B. In the final they competed against Queensland and unfortunately lost that match 3-6. Their final placing was 2<sup>nd</sup>, which was equal to their seeding and collecting the silver medal.

### INDIVIDUAL EVENTS

Victorians were well represented in the singles events. In the Men's Singles, David Powell, Simon Gerada and Chamara Fernando made the Quarterfinals of the singles, while David went on to make the final of the event.

In the Women's singles, it was an all-Victorian affair for the final with Jian Fang Lay and Miao Miao battling it out, Jian prevailing 4-1. Other notable performances came from Melissa Tapper who made the Semi-final of the event, losing to compatriot Jian Fang Lay.

In the Under 21 Men's singles, Victorians filled 4 of the 8 quarterfinal spots while both Heming Hu and Dillon Chambers made it to the semi-final. Heming went on to win the final and became the U21 National Champion.

In the Under 21 Women's Singles, the only notable performance came from Amber Dou who made the Semi Final, losing to the eventual winner Vy Bui from South Australia.

In the Men's Doubles event, Powell combined with Henzell (SA) to take the title, while Dillon Chambers and Yang Shen made the Semi Final of the event, while Tapper partnered Beaumont (NSW) to claim the women's doubles title.

The open mixed doubles saw an all-Victorian final, with Powell and Miao clinching the title from Hu and Tapper. In the U21 Mixed Doubles Amber Dou partnered Townsend (QLD) to win the national title.

In future, I would recommend that all teams have playing captains (rather than NPC's) as this will help to keep costs lower to athletes. I think it is also important to have larger incentives to make a state team as opposed to a B team. As it stands currently, athletes don't have a large financial incentive to strive for the state team during the selection period.

I was extremely pleased with the conduct of all the athletes for the entire duration of the trip. They supported each other throughout the championships and conducted themselves in a way the whole Victorian table tennis community can be proud of.

### **31<sup>st</sup> Australian Veterans Table Tennis Championships**

**Kingborough Sports Centre, Kingston View Drive, Kingston Tasmania**

**18 OCTOBER 2014 - 25 OCTOBER 2014**

I am proud to report that we had the strongest Victorian contingent of 98 players. 2014 was one of the most successful national championships that Victorian players have participated in with success across the board from the 30's age group to the 80's age group. Congratulations to the medal winners and the whole team.

The team looked great and felt good in their new uniform and received many admiring comments from the other States. This year TTV adopted a more inclusive policy and for the first time the President's players were included within the Victorian team and able to purchase the team track shirt. This was welcomed and supported by all players and demonstrated a unified and strong team. Competition gear was restricted to the A and B teams with male and female designs.

A very big thank you to Pam Tait, Nick McConnell and the Veterans Committee as well as Luci Galea and Rosie Murphy in the office, in coordinating the paperwork, communication and assistance to players to ensure that everyone was prepared and informed. A thank you also to the Assistant Team Manager Jan Paolini who assisted and in particular coordinated players and provided information at the venue.

This year, there were two voluntary team training sessions held at MSAC that were positively received and enjoyed by those that attended. We thank the Team Captains for taking on the extra responsibility. For the future, we need to provide some skill development and information transfer to Captains to help them lead their team.

I would like to extend our appreciation to the Tasmanian Table Tennis Association and the Organising Committee who did an excellent job as well as the Australian Veterans Committee.

We had good weather and a welcoming environment. Overall the team was in good health, with only one injured player having to return home.

Peter McKay Class 10  
Rory Carroll Class 11

**12 APRIL 2014 – CLASSIFICATION DAY**

This year I had three athletes to be classified:

- Brendon Bastin
- Peter McKay
- Sy Pham

Sy Pham went from class 6 to a class 7 whilst Peter McKay was classified class 10, and Brendon Bastin classed 6.

**13 APRIL 2014 – COMPETITION DAY 1**

**Men's Standing Singles**

Victoria had 8 players in this event.

Trevor Hirth, Barak Mizrachi, Nathan Pellissier and Rory Carroll got through to the quarter finals. Rory Carroll and Barak Mizrachi who both were playing well got to play off for the medals. Barak Mizrachi had to play the No.2 seed and Rory Carroll played the No.1 seed, both losing only to pick up a bronze medal each.

**Class 11 Singles**

We had Rory Carroll in this event.

Even though Rory Carroll was playing well he lost to the No.1 seed and went down 13 -11 in the fifth set to the No.3 seed, he took home a bronze medal.

**Standing Men's Doubles C6-10**

We had 7 players in this event.

Barak Mizrachi and Nathan Pellissier, Trevor Hirth and Jake Ballestrino, Brendon Bastin and Peter McKay, and Ken teamed up with Garth from WA.

Barak and Nathan were undefeated as were Trevor and Jake, leading to the final match, but there can only be one winner in the final and that was Barak and Nathan with Trevor and Jake taking the silver.

We had Rory Carroll in this event teamed up with Ashley Parrott from QLD, losing to the No.1 seed's 13-11, 11-9, 11-9, and picking up the silver.

### **14 APRIL 2014 – COMPETITION DAY 2**

#### **Junior Singles**

We Nathan Pellissier, the defending champion, in this event, with only one out of the other five players giving Nathan a real challenge but with persistence he took the gold medal in a tough five setter.

#### **Class 6 Singles**

We had three players in this event.

The defending champion Trevor Hirth as well as Brendon Bastin and Ken.

Trevor went through undefeated to the finals and a surprise from Brendon as he also got through to the semi-finals, with Trevor taking the gold and Brendon the bronze.

#### **Class 7 Singles**

We had two Victorians in this event.

Jake Ballestrino and Sy Pham.

With Jake winning all his matches to take the gold and another surprise from Sy in his first ever tournament, losing only to Jake to take the silver.

#### **Class 8 Singles**

We had two players in this event.

Nathan Pellissier seeded 1 and Barak Mizrachi seeded 2. Both went through their groups undefeated only to meet in the final with Barak winning in four games to take the gold and Nathan the silver.

#### **Class 9-10 Singles**

We had Peter McKay in this event.

Peter had to play the top four seeds in Australia, playing well to beat the No.4 seed to take the bronze in his first Australian championships.

### **15 APRIL 2014 – COMPETITION DAY 3**

We had 3 teams in this event and two players playing with other teams.

#### **Class 6-7**

Victoria State Team: Trevor & Jake Ballestrino [defending champs],

Victoria B Team: Sy Pham & Brendon Bastin

President's Team: Ken played with Garth [WA]

#### **Class 8-10**

President's Team: Nathan Pellissier and Peter McKay with Connor Johnston [WA] (Connor strengthened our side to great deal).

#### **Class 11**

President's Team: Rory Carroll teamed up with two SA players.

#### **Class 6-7**

Trevor Hirth & Jake Ballestrino defended their title only dropping one game on their way to gold and Sy Pham & Brendon Bastin only losing to their fellow team mates to take the bronze.

**Class 8-10**

Nathan Pellissier & Peter McKay with Connor Johnston [WA] played really well as a team only to lose to the No.1 seeds 4-1 to pick up the silver.

**Class 11**

Unfortunately for Rory Carroll, the President's team didn't win a medal although Rory played well.

**SUMMARY**

Once again we were down on players, and with the players we had I thought they all played and represented Victoria well. There was good camaraderie with the more experienced players welcoming the new players into the team.

The whole tournament was a pleasure to coach & manage; all the players were well behaved and friendly to their rivals.

**2015 NATIONAL AWD CHAMPIONSHIPS**

NSW have confirmed to have the event at one of their clubs, Club location and date is yet to be confirmed. Teams and uniforms should be sorted out 6 weeks prior to this event, also I believe if a player from Victoria enters in the Nationals whether they play in the teams event or not should have the Vic's T/shirt or uniform on, at their expense of course, thus letting other states know that we are a team.

Due to the resignations of a number of committee members whose children had all left junior ranks, it was necessary to form a new committee. This proved challenging as the number of individuals who are prepared to donate their time seems to be reducing. Initial requests for nominations went unfulfilled, however by the middle of the year we were gratefully able to welcome Albert Middlemiss-Sun and Raelene Cosgriff to the committee.

The aims of the committee are specifically targeted to increasing the participation at all levels of junior table tennis; the areas of focus are around improving the communication and availability of information, which will allow juniors of all levels to easily understand what programs are on offer and how they can be accessed.

Some initial work has been completed to flesh out the information that we need to be available, and a specific juniors page/portal on the website has been requested. Further developments are expected in 2015.

**Chairman of Veterans Table Tennis Victoria: Nick McConnell**

Nine Veterans Tournaments were held this year with increased number of players participating. Mornington Tournament was not held due to the extensions having started which will give them an extra four international sized courts. Our thanks to all the volunteers who gave their time to ensure these tournaments are run successfully.

Friday night pennant was again well supported with thirteen new players as well as others returning from holidays or extended breaks. The sections are becoming more even and the competition for leading players is very close and keenly contested. Thanks to the Veterans Committee for their work in supporting and running of this Pennant.

Our Veterans State Teams had one of the most successful National Championships which this year were held in Tasmania during October 2014.

**Our State Teams won:**

6 Gold (out of 13)  
O40 Women; O50 Women; O60 Women; O70 Men  
O75 Women; and O80 Men

3 Silver  
O40 Men; O60 Men; and O70 Women

2 Bronze  
O40 Women; O75 Men

**In the Individual events Victorians won:**

19 Gold  
5.5 Silver  
21.5 Bronze

In the overall medal tally Victoria finished well ahead of second placed NSW. A total of 22 Victorians (out of 110) were listed in the 2014 Order of Merit.

**Those listed at No. 1 were:**

Lan Zhai (O50 Women)  
Roma Chambers (O60 Women)  
Pam Tait (O70 Women)  
Maureen Fischer (O75 Women)  
Mick Wright (O70 Men)

**Best Player Awards went to:**

Lan Zhai (O40 Women)  
Brian Berry (O60 Men)  
Roma Chambers (O60 Women)  
Mick Wright (O70 Men)  
Pam Tait (O70 and Over 75 Women)  
Igor Klaf (O75 Men)

Congratulations to all those players and our thanks to the Veterans Selectors who did a good job (under difficult circumstances) seeding players for our Tournaments and selecting teams for the National Championships.

The World Veterans Championships were held in Auckland New Zealand during the year and 185 Australian players (total players 1665) participated in this biannual event.

**Victorian players brought home the following medals:-**

**GOLD**

Igor Klaf (with Inh Van Le, NSW) in the O70 Mens Doubles  
Pam Tait and Margaret Mulcahy in the O75 Womens Doubles

**SILVER**

Mick Wright (with Dr. H. Neubauer, Germany) in the Over 70 Mens Doubles  
Geoff Nesbitt (with Harry Dye, New Zealand) in the Over 80 Mens Doubles

**BRONZE**

Nela Bran in the O50 Womens Singles  
Mick Wright in the O70 Mens Singles  
Lois McConnell and Maureen Fischer in the Over 75 Womens Doubles  
Ken Johnson (with Tony Herbert, Queensland) in the Over 80 Mens doubles  
Prisca Rosario (with Elaine Edwards NSW) in the Over 80 Womens doubles.

Australia finished 4<sup>th</sup> (out of 57 countries) in the overall medal tally.

Congratulations to all those Victorian players and officials who participated in these Championships and well done to all the Medal winners.

The New Zealand Easter Veterans Championships and Test match were not held in 2014 due to the World Veteran Championships which were held in May of this year.

We can look back on 2014 as being a successful year for Veteran players and look forward to continuing our improvement in 2015.

**Tournament Director:**     **Jennifer Mee**

## **63<sup>RD</sup> COUNTRY CHAMPIONSHIPS 2014**

The Country Associations was again very well supported at this year's event.  
337 players made up the 105 teams that were 5 players and two teams more than the previous year.  
We welcomed 68 players for the first time.

Thanks so much to my team of volunteers who work so tirelessly to make the event happen year after year.  
Without their support we would not have the Country Championships running so smoothly.  
Bruce Harmer from Wonthaggi was honoured with the Andrew Wilson Memorial Award for 2013  
Geelong won the A Grade Shield for the first time since 1992.

Dylan Chambers from Sunraysia was undefeated throughout the Teams and Individual events, taking the Alan Cleaves Award for the A Grade Leading Player along with the Individual Men's and Junior Boys singles titles.

All Players are to be congratulated on their performances, rapport and sportsmanship.  
Thanks also to Luci and Brad from TTV for their work in the preparation of and during the event  
Thanks to Graeme Ireland for his expertise as referee.

**MINUTES OF THE PREVIOUS ANNUAL GENERAL MEETING**

Max Coulthard moved that the Minutes be accepted as a true and accurate representation of events, Seconded by Greg Bristowe. All were in favour.

**PRESENTATION OF THE 2013 ANNUAL REPORT, FINANCIAL STATEMENTS & INDEPENDENT AUDITOR'S REPORT**

The Chairman noted the following:

- Membership had increased to 4000, which was a target promised to government and reflected in being awarded government funding.
- Whilst TTV elite levels are consistent, Victoria is no longer as dominant nationally as it has been. However we still hold the largest membership and elite athlete representation nationally.
- The Victorian Veterans performed very well at the World Veterans Championships in New Zealand, with some taking medals from the expected winners.
- Financially, TTV's aim is to make a modest surplus or break even and the financial report will show a modest gain in the balance sheet.
- TTV strategic 3-year plan will conclude next year with most targets have been met already.
- New volunteers to TTV were mentioned: Kelvin Putt (Financial), Edwin Cotter (Technical), John Scott (Veterans Selector) and Lawrence Lim (Veterans Selector).
- Volunteers are the backbone of the organisation and TTV aims to attract more volunteers in all age brackets, to be able to spread the workload with the intention to increase capacity and reduce the demand on current volunteers. The age of our volunteers is increasing.
- There is a continued focus on membership, increasing numbers of participation and female numbers.
- Future focus will be on participation numbers and finding strategies to supplement standard membership.
- Coaches and Officials numbers have declined.
- Club capacity has increased through providing more support to clubs.
- Business management has become more professional through bringing external expertise via Financial & Audit Committee and Accounting firm to provide sound practices and better governance procedures.
- Strategic objectives are to grow participation by 20%, female inclusion by 50% and CALD opportunities by 10%.
- Participation numbers was reported at 19,000 people.

- In terms of coaches and officials, TTV are aiming for 40% of the national umpires to be Victorian and 35% of officials to be female. TTV wish the age bracket to be 15% lower to what it currently stands at.
- TTV aim for membership numbers to increase by 10% and member engagement to be at 75% club satisfaction.
- Board Meetings are focusing on strategic matters, with lesser time devoted to performance and a small amount to compliance. Operation of the business is delegated to the CEO.
- TTV aim for 50% of the Table Tennis Olympic athletes to be Victorian.
- More finance needs to go into regional sport.
- Gary Warnest inquired as to the performance indicators, to which the chairman responded that TTV can make results available as they come.
- Max Coulthard asked about the next strategic plan to which the chairman replied that the next strategic plan would be for another 3 years which is in line with SRV reporting and funding applications. However, the Board will also work on a rolling strategic plan in the future.
- In terms of the financial report, there was a surplus of \$6,524 last year, which increased the member equity by the same.
- Kelvin Putt explained the current 2014 figures:
  - The accounting system has changed to Xero. Whilst TTV cannot currently compare 2013 and 2014 figures, next year we will have the capacity to do that.
  - Income has increased and we are currently above budget. Balance sheet states that member equity is \$9,000 higher, however some expenses have not been allocated.
- Ron Bayly commented that the report has the best presentation he has seen in many years and congratulated the CEO and administration.
- Greg Bristowe asked if the chairman could explain the financial report relating to the MSAC payment and bonus. The chairman replied by explaining the MSAC bonus and commercial in confidence agreement with the SSCT which related to all sports, but the general overview is:
  - \$10,000 - \$12,000 is spent in office rent whilst we receive \$70,000 - \$75,000 in income from conducting our business here.
  - TTV also receive a percentage from the stadium once expected levels are exceeded. This year a \$28,000 bonus was received.
  - TTV is currently in negotiation with the SSCT and we are confident that the stadium percentage will increase. TTV aims to invest the anticipated increase by employing a person to operate the TT hall to eventually increase and maximum usage and financial return.
  - The SSCT license agreement is a 3 year term, with the Victorian Government offering support to TTV, with particular requirements to increase the lighting levels.
- Greg Bristowe commented that TTV should reduce entry fees to encourage increased participation in competitions. The chairman replied that TTV ran its tournaments on a cost neutral bases, so the balance between increased numbers and reduced fees was a fine line that can only be tinkered with a little.
- Bruce Harmer moved that the financial report be accepted. Seconded by Max Coulthard.
- MOTION CARRIED

### **ELECTION OF DEPUTY CHAIR**

The Chairman advised that in accordance with the Constitution the Board had determined the election of Deputy Chair would be taken by ballot paper on a simple first past the post basis.

There were two nominations for the Deputy Chair position: Jeffrey Dever and Kelvin William Putt.

**KELVIN WILLIAM PUTT WAS ELECTED**

The Chairman thanked Mr Dever for his nomination and congratulated Mr Putt on his re-appointment.

The Chairman thanked Jeff Plumb for his valuable contribution, which also provided the Board with valuable input and experience by an Olympian.

The Chairman advised that in accordance with the Constitution the Board had determined the election of Board member would be taken by ballot paper on a simple first past the post basis.

There were two nominations for the Board member position: Jeffrey Dever and Terry (Eddie) Kocjancic.

**JEFFREY DEVER WAS ELECTED**

The Chairman thanked Mr Kocjancic for his nomination and congratulated Mr Dever on his appointment.

**CONSIDERATION OF MOTIONS**

- **Motion 1**

Croydon TTA motioned to amend the TTV Constitution to change the elected members from five to six directors.

Greg Bristowe explained that Croydon TTA emailed everyone as to their reasons for putting the motion forward.

Ron Bayley stated that he preferred fewer members on the Board.

Phillip Carruthers spoke against the motion saying that appointed members allow for a range of skills to be accessed and further bring diversity to the Board which is considered best practice by the Australian Sports Commission and Sport & Recreation Victoria.

The Chairman advised that in accordance with the Constitution the Board had determined the motion would be taken by ballot paper on a simple first past the post basis and that for the motion to be successful as a special resolution it would require a 75% vote in favour.

Results for the motion were: 1064 votes for and 1347 against.

**MOTION 1 FAILED**

- **Motion 2**

Croydon TTA motioned to amend the TTV Constitution to change the appointed members from two to one.

As a result of the outcome of the first motion, Greg Bristowe made a call to Croydon TTA to see if he should withdraw the motion because it was reliant on the first motion's outcome.

Croydon TTA withdrew the 2<sup>nd</sup> Motion.

- **Motion 3**

Croydon TTA motioned to amend the TTV Constitution to make board-meeting minutes available to the public.

Greg Bristowe spoke for the motion saying that they request separate specific board minutes to be made public to the members.

Gary Warnest spoke against the motion saying that the current wording of the motion would force TTV to reveal sensitive matters, which should not be made available to the public.

Phillip Carruthers spoke against the motion saying that sensitive commercial dealings and individual matters should not be made public and would in fact be breaching privacy laws if they were.

The Chairman advised that in accordance with the Constitution the Board had determined the motion would be taken by ballot paper on a simple first past the post basis and that for the motion to be successful as a special resolution it would require a 75% vote in favour.

Results for the motion were: 1176 votes for and 1235 against.

MOTION 3 FAILED

- **Motion 4**

Manningham TTA motioned to amend the TTV Constitution to change the voting powers of associations by making it one vote per association plus an extra vote for every 100 members registered to a maximum of 5 votes.

Geoff Lyall spoke for the motion saying smaller clubs do not get as much of a say as larger clubs do. This motion is meant to give smaller clubs a bigger say.

Max Coulthard enquired to Geoff Lyall if Manningham weighed up the pros and cons, or consulted with other associations before bringing the motion.

Geoff Lyall answered that the Manningham decided as a club to put the motion forward.

Phillip Carruthers commented that while clubs and associations always had a right to bring motions for constitutional change to an AGM, best practice would be for the concepts to be workshopped prior to being brought so that they could be fully understood (and maybe agreed) and so that they could be professionally drafted to fit the Constitution.

Jeffrey Dever stated that whilst it is understandable that clubs feel like they do not get a big say, reducing the voting power of larger clubs would be misrepresentative.

Gary Brooker stated that his club (Albury/ Wodonga TTA) worked hard to build their members and earn those votes. Reducing the voting power would reduce the motivation to register members.

The Chairman advised that in accordance with the Constitution the Board had determined the motion would be taken by ballot paper on a simple first past the post basis and that for the motion to be successful as a special resolution it would require a 75% vote in favour.

Results for the motion were: 378 votes for and 2033 against.

MOTION 4 FAILED

Max Coulthard moved that the ballot papers be kept for six months and then destroyed, Seconded by Gary Brooker.

MOTION CARRIED

### **CLOSURE OF MEETING**

The Chairman declared the meeting closed at 12:51 PM.

**Directors Declaration****Table Tennis Victoria  
For the year ended 31 December 2014**

The directors have determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the association declare that:

1. The financial statements and notes, as set out herein present fairly the association's financial position as at 31 December 2014 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements; and
2. In the directors' opinion there are reasonable grounds to believe that the association will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors:

## Notes to the Financial Statements

### Table Tennis Victoria For the year ended 31 December 2014

#### **1. Statement of Significant Policies:**

The directors' have prepared the financial statements on the basis that the association is a non-reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report that has been prepared in order to meet the needs of members.

The financial report has been prepared in accordance with the significant accounting policies disclosed below which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows:

#### **1.(a) Income Tax:**

The association is a not for profit entity and is exempt from income tax.

#### **1.(b) Property, Plant and Equipment:**

Property, plant and equipment are carried at cost, independent or directors' valuation. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the association.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in shareholders' equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the profit and loss. Each year the difference between depreciation based on the revalued carrying amount of the asset charged to the profit and loss and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

#### **1.(c) Payments to related parties:**

Gifts includes \$1,950.00 gift to retiring board member, a painting which was donated to the Association for the purpose of being awarded to that Board member.

Legal fees includes \$2,500 Cyngler Kaye Levy Lawyers

#### **1.(d) Employee Benefits:**

Provision is made for the associations's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

#### **1.(e) Provisions:**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

#### **1.(f) Cash and Cash Equivalents:**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

**1.(g) Trade Receivables and Other Receivables:**

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful has been created.

**1.(h) Trade Creditors and Other Payables:**

Trade creditors and other payables, including bank borrowings and distributions payable, are recognised at the nominal transaction value without taking into account the time value of money.

**1.(i) Revenue and Other Income:**

Revenue is measured at the value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at reporting date and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

**1.(j) Goods and Services Tax:**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

**1.(k) Finance Leases:**

Leases are classified as finance leases wherever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

**2. Receivables:**

Trade Receivables is net of of any provision for doubtful debts raised.

**5. Provisions:**

Provisions consist of Annual leave and Long Service Leave provisions.

	<b>31-Dec-14</b>	<b>31-Dec-13</b>
Provisions	\$15,372.16	\$13,871.59

**6. Contingent Assets and Liabilities:**

The association does not have any contingent assets or contingent liabilities.

**7. Events After Balance Date:**

There are no matters or circumstances that have arisen since 31 Dec 2014 that have significantly affected, or make significant affect the association's operations, the result of those operations, or the association's state of affairs in future financial years.

**TABLE TENNIS VICTORIA INC.****INDEPENDENT AUDIT REPORT****TO THE BOARD OF COMMITTEE AND MEMBERS OF TABLE TENNIS VICTORIA INC.****Scope**

I have audited the accompanying financial report, being a special purpose financial report of Table Tennis Victoria Inc. which comprises the Balance Sheet as at 31 December 2014, Income and Expenditure Statement and Explanatory Notes to the Financial Report and Statement of Cash Flows for the year ended 31 December 2014.

**Board of Committee's Responsibility for the Financial Report**

The Board of Committee of Table Tennis Victoria Inc. is responsible for the preparation and fair presentation of the financial report and has determined that the accounting policies used are appropriate to meet their needs, the needs of the Association Incorporation Reform Act 2012 of Victoria and the needs of the members of Table Tennis Victoria Inc. The Board of Committee's responsibility also includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate policies and making accounting estimates that are reasonable in the circumstances.

**Auditors Responsibility**

My responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used (and if described in Note 1) are appropriate to the needs of the members. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for the purpose of fulfilling the committee's financial reporting requirements for distribution to members. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting my audit, I have complied with the relevant independence requirements.

**Audit Opinion (Unqualified)**

In my opinion the financial report presents fairly in all material respects and in accordance with applicable Accounting Standards and other mandatory professional reporting requirement in Australia the financial position of Table Tennis Victoria Inc. as at 31 December 2014 and the results of its operations and its cash flows for the year then ended.
